## Monthly Updates from Your Beavercreek Parks, Recreation & Culture

**Monthly Parks & Recreation Benefit:** Recreation and parks facilities help promote social bonds by uniting families, building cultural tolerance, and supporting individuals with disabilities and seniors.

### December Division Updates:

#### Parks

Winter is almost here!

The weather is getting colder, leaves are falling off the trees and soon enough those beautiful white, shimmering snowflakes will be falling. As we enter this wintry wonderland, please be careful on our walking and bike paths. These areas are not plowed or salted in order to allow cross country skiers to enjoy their sport. If you have not tried cross country skiing, maybe this is the year to try something new! Or, just put on a warm jacket, gloves, and snow boots and hike down these paths to enjoy the quiet, beautiful setting we have here in Beavercreek.

Whatever you decide, enjoy this season with family and friends!
