Monthly Updates from Your Beavercreek Parks, Recreation & Culture

Monthly Parks & Recreation Benefit: Well-maintained parks and recreation facilities help reduce crime in a community. Low crime rates, in turn, increase property values and help residents feel secure.

November Division Updates:

Parks

Taking Care of What We Have... 2017 Capital Projects

The parks department had a busy year with new projects thanks to our City Parks Levy! 2017 projects included:

- a new playground was installed at Spicer Heights Park
- Lofino Plaza construction was completed and the new space is available for use
- Royal Pointe Park is getting new shade structures (one that will cover the playground)
- concrete walking paths are now in place at Wartinger Park
- irrigation systems were installed at the 9/11 Memorial and Veterans Memorial Park

You will also see new Park signs as we make improvements to all our parks. More exciting projects are in store for 2018; more information will be out early in the New Year!
