

Wellness Walkers

Spring 2018

Thursdays, 9:30 – 10:30 a.m.

Each week we will get our heart rate up and get moving – enjoying the outdoors in our beautiful parks. Walks are guided and self-paced. Get to know the parks better and meet new people. City of Beavercreek and Greene County Parks & Trails have partnered to provide more walk locations in 2018!

| Date | Meeting Point | Address | Path Description |
