Public Service Superintendent  
Joey Shope

## EXECUTIVE SUMMARY 2025 APPROPRIATIONS BUDGET

December 9, 2024

The City of Beavercreek perseveres despite several significant events over the past couple of years, including the multi-year COVID-19 pandemic and high inflation. Though the past couple of years have been difficult for many, Beavercreek residents and staff continue to be resilient and the city is rebounding from these events.

These events created opportunities for the city to review and adjust its programs to increase operational efficiencies and make them more accessible to the public. Staff and elected officials responded effectively by changing mandates to continue to provide municipal services to residents, businesses, and public institutions. The city reduced governmental expenditures to match service levels, while simultaneously dealing with the additional costs of providing protection for employees and residents to help minimize the effects of these events.

These significant events also provided an opportunity for Council to review the city's core values. As a result, Council developed the following vision statement: **"The City of Beavercreek is a safe, vibrant community, dedicated to serving the needs of residents and embracing the opportunities of tomorrow."**

City Council has identified seven long-term strategies that city leaders and staff strive to accomplish in an effort to continue moving the city forward and ensuring residents' needs are being met. This year the city added an additional strategic priority related to long-term planning and strategies. These strategic priorities include:

- Diversifying and creating sustainable revenue sources
- Engaging and informing the community
- Planning for infrastructure
- Ensuring a right-sized workforce
- Maintaining and developing family friendly parks
- Enhancing public safety through prevention, education, and support
- Promoting forward-thinking long-term planning and development strategies

Together, the city's vision statement and strategic priorities provide a clear direction and create a strong foundation for staff when making decisions that impact both residents and the community. After identifying the city's seven strategic priorities, each department and division reviewed its internal operations and made appropriate changes to cohesively achieve these long-term priorities. This helps to ensure valuable resources are directed to the city's most critical components in order to meet and/or exceed residents' expectations.

These established priorities are used as a guide to create the city's 2025 budget and are identified throughout the following document to ensure the city is proceeding with the same common goals. It is of utmost importance to be fiscally responsible and good stewards of city funds. The city vows to remain open and transparent with the city's budget and budget process, and make it a priority to receive input from residents. Together, we will work to ensure the City of Beavercreek is a safe, vibrant community that meets the needs of residents and embraces the opportunities of tomorrow!

## **STATE REVENUE SHARING REDUCTIONS AND LEVY CAMPAIGNS**

The state's reduction of revenue sharing continues to challenge the city's ongoing financial stability. With these reductions and a long list of backlogged infrastructure, the city implemented a strategy to develop specific levies designed to address the city's financial needs now and in the future. After completing a detailed long-term financial analysis and several City Council/Management Strategy Sessions, the city finalized the financial strategy of placing continuing levies on the ballot to stabilize the finances of the city. This strategy achieved the city's goals of preserving revenue stability, including maintaining the state's rollback exemption for the police and street levies. By maintaining this exemption, residents save 12.5% off their property tax bills while the State reimburses the City of Beavercreek.

The city continues to develop alternative revenue strategies. Keeping with the long-term financial and diversification strategies, an income tax initiative was placed on the May 2022 ballot. Although the initiative was not successful, the financial needs of the city remain. To meet these financial requirements, the city placed three property tax levies on the ballot for resident consideration. The 2.15 mill street levy passed in November 2022 and has been included in future budgets. The 1.8 mill police levy was approved in May 2023 and has been incorporated into future budgets. The approval of the police levy was designed to increase service levels by adding funding for five additional officers, to maintain current commodities, contractual and capital service levels and meet required fund balances. A new 0.49 mill park levy designed to maintain park and recreation operations in the future, while also providing capital funding for infrastructure and recreation amenities was placed on the November 2024 ballot, but was not approved. The failure of this levy will result in some cuts to capital projects in the parks program. The City will continue to modify future initiatives to ensure the appropriate level of funding for residential needs tied directly to the strategic goals of the residents. The city will continue to look to implement options to diversify the city's revenue as part of the city's long term financial strategy.

## **DEVELOPING THE BUDGET**

With residents' continued support of continuing levies, reestablishment of delayed infrastructure and capital equipment purchases postponed by the pandemic and inflationary factors, the management team was able to adjust program funding to meet the anticipated service levels in the 2025 budget. The City Manager instructed Department Directors to continue to maintain the high level of services to which our residents are accustomed, while maintaining minimum fund balances. In 2022, the city received the second installment of the American Rescue Plan Act (ARPA) funding from the federal government. The city identified capital infrastructure and equipment purchases that meet the requirements of the funds. This includes significant infrastructure improvement projects that will benefit the most residents, which have been part of the backlog of infrastructure and have had little or no funding to accomplish. These funds have been wholly allocated and budgeted in 2024 with some projects set to reach final completion in early 2025.

The city continues to review and improve city services with the redefining of departmental needs to operate in today's environment. This was necessitated by identifying creative solutions, implementing technological innovations, researching and implementing shared resources, identifying efficiency improvements, reorganizing departments and divisions, and aggressively pursuing grant opportunities in order to become more efficient and provide the most cost-effective services to residents. This included adding resources to Public Services and

Engineering to increase the emphasis on planning, directing, and monitoring capital infrastructure projects and assets throughout the city.

With financial goals, service delivery, and capital objectives established, department directors drafted their initial budgets and convened for internal meetings to review departmental justification, service level expectations, including Health Department restrictions, their short and long-term initiatives, program requirements, potential cost savings or service level reductions, and any additional ideas related to enhancing shared services.

After this process, staff presented City Council with a proposed 2025 Appropriations Budget. City Council convened public work sessions on November 18th and 20th of 2024 to review and modify proposed budgets. Public input was encouraged and received during the review of the 2025 budget, along with the Five-Year Capital Improvement Plan covering 2025 through 2029. As a result of this annual process, the city developed a fiscally responsible 2025 budget incorporating all the operations and capital infrastructure plans detailed in the city’s strategic priorities.

City Council’s policy objective of maintaining minimum reserve fund balances of 20% for operating funds (General, Police, Street Levy, and Park Levy), especially during the current economic environment, has been achieved, and with federal and state grants, the city was able to reestablish the capital improvement programs back to pre-pandemic levels. This was also accomplished by anticipating and responding to the State of Ohio’s revenue enhancements (increased fuel taxes, implementing a new license fee authorized by the state, and using grant funding), pursuing expenditure adjustments during the year, and using existing available fund balances when appropriate.

**BUDGET OVERVIEW**

The 2025 budgeted expenditures, excluding interfund transfers, is approximately \$53.9 million dollars. This represents a budget that is approximately \$4.9m more than the 2024 adopted budget. The largest expenditures are in the Street Maintenance and Capital funds, which totals \$26.8m, or 49.7% of the entire budget. Public Safety is the second largest portion of the budget representing \$13.9m, or 25.6% of the budget.

Salary and benefits costs are \$20.6m or 38.1% of the entire budget. This also reflects contracted wage increases and projected health care increases. The City and the FOP agreed to a new three year contract in October 2024. Beavercreek also completed a comprehensive personnel and salary study. Of the \$4.9m increase from 2024 to 2025, \$1.3m comes from wage and benefit increases. The second largest component of the budget is capital expenditures representing \$19.2m or 35.6% of the 2025 budget. Capital expenses increased \$3m from 2024, but much of that is covered by state and federal grants. Contractual services makes up \$8.1m or 15.1% of the budget and has remained consistent with the amounts budgeted in 2024.

2025 Budget Expenditures by Category - \$53.9m  
(Excludes Interfund Transfers)

This budget illustrates our continued reliance on property taxes to generate the revenue necessary to maintain operations and fund the city’s capital improvement program. Over \$30m comes to the city through various property taxes across various funds. In the 2025 budget, property taxes represent 56.3% of the entire projected revenue of \$53.6m. Grants are the second largest component representing \$7.9m followed closely by intergovernmental revenue at \$6.4m. In addition to being reliant on property taxes, the City is also heavily reliant on revenues from other governmental entities. The majority of charges for services revenue relates to golf course operations and various program fees collected for parks and recreation, and the Senior Center.

2025 Revenue by Category - \$53.6m

## **BUDGET RESULTS**

As a direct result of staff and City Council's desire to provide our community with a responsible budget, the following major changes are noted that impact the 2025 budget.

## **BUDGET HIGHLIGHTS**

### **Revenue**

- Per the city's long-term financial strategy, all of the property tax levies have been renewed and made permanent to help stabilize the city's funding. In 2023, residents voted to implement a new continuous 1.8 mill public safety levy that provides about \$3m annually. The funds have been budgeted to include additional staffing (five officers) for police operations, provide necessary funds to maintain the department's capital replacements program along with contractual and commodities utilized for the efficient operation of the department.
- A new 0.49 mill levy for the parks department was not approved in November 2024 and will result in some cuts to capital spending in parks.
- Intergovernmental local agreements designed to cover the cost of services provided by the city to various entities total over \$781k for 2025. This includes increases to Beavercreek Township for dispatch services provided to the Fire Department, fuel, and In-Touch publications. The city also has agreements with the Beavercreek School District for reimbursement for providing two School Resource Officers, a fiber-optic line, and salt. In 2025, the city will continue to provide park maintenance services to the Beavercreek Township Park District. Additionally, starting in 2024 the County Sanitary Engineer began reimbursing the City for road repairs related to damage caused by water and sewer line repairs.
- Interest income increased 261% in 2023 and has leveled off just above that number in 2024. We anticipate this category to decrease in 2025 as the Federal Reserve cuts interest rates. Hotel/motel tax will remain high at \$800k per year. The city adopted a new short-term rental program which also captures hotel/motel taxes from those renting out their homes for less than 30 days at the end of 2023.

### **Expenditures – Operations**

- The budget includes cost of living increases for all union and non-union employees. This is based on the bargaining unit's labor agreements that expires in 2026 for the Communications Workers of America (CWA) and in 2027 for the Fraternal Order of Police (FOP). The 2025 budget reflects a 3% cost of living wage increase for CWA members, 5% for FOP officers, 4.5% for dispatch, 3% for non-union full time and 1% for non-union part-time employees. Based upon recommendations from a pay study, the City Manager made market rate pay adjustments to a few administration positions.
- In anticipation of continuing volatility in the health care industry, the city joined the Ohio Benefits Cooperative (OBC). Joining the OBC pool provides the city with stability of current and future insurance rates. The city has experienced very positive results in the past, and this year's increase for plan year (September 2024 to August 2025) was set by the OBC at 2.1%. The increase by the OBC, in conjunction with the projected increase for the last four months of the calendar year, was blended and factored into the health insurance operating expenditure for the 2025 budget. Based on recently negotiated union contracts, all employee contributions to health and dental insurance premiums are the same, which provides additional stabilization of this \$3m expenditure.

## **Expenditures – Capital**

- A total of \$18.1m in street improvement projects are included in the various 2025 street capital improvement budgets. Of this amount, \$7.6m or 42%, is funded utilizing federal and state grants. These projects include; North Fairfield Road Widening (\$7.2m), Factory Road Bridge Widening (\$2.3m), Dayton-Xenia Road Widening (\$3.7m), Beaver Vu Widening (\$800k), and Indian Ripple Widening (\$350k). These projects are in addition to other road widening efforts and some smaller capital projects around the community that have been budgeted.
- Capital equipment replacement throughout the city has returned to normal funding and totals \$1.6m. The fleet rotation program continues on schedule in the public safety area; however, the delay of purchasing replacement vehicles over the past few years, due to supply chain issues, has slowed the replacement program. Several additional vehicles were budgeted in public safety and public services with the service levels approved by residents with the passage of the levies. ARPA funds were also used to purchase police vehicles in 2024.
- The city has also budgeted approximately \$1.4m for repairs and upgrades to various city facilities. This amount includes the establishment of several new initiatives as part of the financial strategy plan, which includes the establishment of a ditch restoration program, a sidewalk program and for the development of a ditch master plan. At the senior center, the reception area will be renovated and made to be ADA accessible.
- The city will continue our efforts in essential maintenance and capital repairs throughout the park system, but with the failure of the levy a number of the planned improvements will have to be deferred. Park Improvements budgeted in 2025 include paving the Wartinger Park parking lot (\$31k) and SpringHouse Park improvements (\$1.5m). Most of SpringHouse Park is funded by a state grant (\$1m). At the golf course, the city will continue the bunker renovation program, cart path resurfacing, a new cart bridge and HVAC repairs.
- In 2024, the city established a new division related to Community Enhancement. This division's purpose is to identify funds for community enhancements throughout the City. In 2025 the emphasis will be on the continuation of the banner program and various other City improvements.

## **WHAT THE FUTURE HOLDS**

To ensure the city's financial stability, residents elected to finalize City Council's financial strategy of making all levies continuous. Residents passed the 1.8 mill police levy in May 2023 recognizing the need for additional personnel to maintain and expand services throughout the city. Residents also passed the 2.15 street levy in November 2022 also recognizing the need for additional personnel to maintain and expand on services provided to the city's street network and infrastructure. Residents also recognized the need to increase funding for resurfacing and capital projects due to inflationary factors, which impacts the level of service and number of lane miles being maintained. These two funding sources, along with the success the city has experienced in applying for and receiving grants, has further helped the city's capital improvement and infrastructure programs. These initiatives, coupled with a fiscally conservative budgeting process, along with City Council's financial goals of maintaining critical operational services, and the implementation of a short-term infrastructure repair and replacement plan, have allowed the city to continue to provide services in this ever-changing economic environment.

One area residents have made clear, is their desire for parks, programming, and green space. During 2022, the city secured 148 acres of land with grant funding and development fees. A master plan for the new park, Spring House Park, was developed based on resident input. The city put forward, in November 2024, a 0.49 mill levy to fund and maintain parks, the rec center and the senior center. Unfortunately, voters did not approve this levy. We will work within the financial constraints we have to maintain services in this department while keeping a twenty percent fund balance. Capital expenses within the park fund have been reduced to help maintain basic services.

The city's backlog of infrastructure needs (i.e., streets, storm water, sidewalks, curbs and city buildings) will continue to increase in cost and pose future funding challenges. The identification and condition of the current infrastructure will continue to be accomplished with new technology the city began implementing over the past several years along with new staff. With this new technology, staff will be able provide information about the location, evaluation results, maintenance costs versus replacement, and prioritization of these areas for future funding consideration. This program has been expanded to include facilities, ditches, etc. so that the city will have an updated database and evaluation system to make short- and long-term strategic decisions, priority of action and determination of the proper funding mechanism.

Along with the state's future revenue reductions and mandates (potential pension contributions increases for police and general employees), there are several important economic factors the city will be watching closely that could negatively affect the city's budget. With the volatility of the economy, as shown during the pandemic and high inflationary factors, the financial strategy to diversify the city's revenue base must continue to be a priority. The city is very dependent on property taxes (56% of the total revenue). For multiple years, the State Auditor has indicated that our reliance on grants and state funding is a negative indicator of the city's financial health. For 2025, one time grants are expected to account for 15% of our revenue and intergovernmental allocations represent 12%. Although the city has stabilized the property tax revenue base, the problem remains that there is still no adequate funding mechanism to pay for the city's aging infrastructure. Even under normal inflationary times, these costs will continue to increase until the backlog is addressed.

Since our funding is driven by property taxes, we will continue to experience the effects of static property tax collections. The goal will be to continue to stabilize the city's revenue base, while concurrently seeking to diversify the revenue base through available options. With minor additional revenue generated from new commercial development, stabilized new home sales, and increasing property values (that do not have the effect of increasing property tax revenue for fixed or voted levies) the reality is that property tax revenue will not keep pace with continued increasing operational costs. This includes the effects on the economy with historic inflation, which affects personnel and benefit costs, commodity pricing (utilities, fuel, salt, and asphalt), and most recently, the increased employment cost of part-time and seasonal positions. These will require current and future revenue and expenditure modifications in all areas in order to maintain fund balances in the operating budgets. However, as noted during the recent disasters (tornado and pandemic) and current economic conditions, the fund balances need to be sufficient to cover these types of events.

## CONCLUSION

The budget is the city's financial plan for the upcoming calendar year. It is the most important document for guiding the city's fiscal planning effort. The 2025 budget includes input from residents, businesses, and City Council, as well as staff goals and actions for providing municipal services in a cost-effective manner.

The strategic priorities highlighted at the beginning and throughout this document ensure the city is proceeding with the same common goals. As stated, it is a priority to be fiscally responsible and good stewards of city funds.

In addition to the city, as City Manager, I vow to remain open and transparent with the city's budget and budget process, and make it a priority to receive input from residents. Together, we will work to ensure Beavercreek is a safe, vibrant community that meets the needs of residents and embraces the opportunities of tomorrow!

Based on the above process and fiscal summary, I recommend City Council approve the 2025 Appropriations Budget.

Respectfully submitted,

Pete E. Landrum, City Manager

**CITY OF BEAVERCREEK**  
**2025 BUDGET**  
**GENERAL FUND**

**FUND PURPOSE:**

The General Fund accounts for and reports all financial resources not accounted for and reported in any other fund. The General Fund balance is available to the city for any purpose provided it is expended or transferred according to the general laws of Ohio and the City Charter. Departments within the General Fund include Council, Clerk of Council, Community Enhancement, City Manager, Human Resources/Risk Management, Finance Department, Information Services, Planning & Development, Planning & Development Board, Contractual Services, Building Facilities Maintenance, District Lighting, Cemetery Maintenance, and Capital Improvements.

**KEY FINANCIAL FACTORS:**

- The General Fund's revenue budgeted for 2025 totals \$6.8m. Major sources of revenue include Property Taxes, License/Fines/Fees, Intergovernmental Revenue, and Interfund Transfers.
- Property Taxes account for 33.4% of General Fund revenue. The \$2.3m received in Property Taxes is generated from the 1.1 mill inside millage, or the "non-voted" millage, as allowed by the Ohio Revised Code. Each year the Greene County Auditor estimates the amount to be collected, which is the amount the city budgets.
- Intergovernmental revenue is the second largest revenue source comprising 26.9% of revenue. Intergovernmental revenue includes Local Government Fund, cigarette tax, liquor & beer licenses, and hotel/motel tax. The city developed a new short term rental ordinance, which utilizes the hotel/motel tax rate for those in this business sector, thus increasing hotel/motel tax revenue. Local Government Fund revenue is projected to be \$800k, down from \$854k two years ago. The state's allocation formula increased the Local Government tax allocation percentage in the last biennium budget, while simultaneously reducing the state income tax, resulting in a net reduction of the Local Government Fund proceeds.
- Franchise Fees and Planning and Development Fees make up the two revenue sources in License/Fines/Fees. Franchise revenue is generated from the fees that the phone and cable companies pay the city to have their lines/cables located within the city's right of way. For 2025, Franchise Fees are budgeted for \$450k, which makes up 82% of License/Fines/Fees revenue. Planning and Development Fees make up the remaining 18%, or \$100k.
- Interfund Transfers are approximately 12.9% of General Fund revenue. These transfers come from operating funds including Police, Street Levy, Street Maintenance, State Highway, and Parks Levy, which cover the indirect costs of the General Fund, per the Administrative Charge Policy.
- Miscellaneous revenue is mostly comprised of Interest Income which is projected to be \$1m in 2025, a significant increase in recent years, but lower than 2024. Lower inflation and expected cuts in federal interest rates point toward lower income from investments in 2025 and moving forward.
- Assessment revenue are funds the city receives based on collection of lighting assessments. Lighting assessments are commercial properties that reimburse the city for the cost of electricity as well as the cost to install and maintain the poles within a special lighting district. These costs are assessed to the property and collected by Greene County via property taxes and then remitted to the city twice a year. Assessment revenue is expected to generate approximately \$125k, or about 1.8% of General Fund revenue.
- The majority of Charges for Services revenue is comprised of the sale of cemetery lots and columbarium (Garden of Peace) and burial and footer charges, which is projected to generate \$111k. Charges for services also includes Beaver Creek Township's reimbursement to the city for their share of printing and postage of the InTouch expenses, property maintenance reimbursements, and vacant property registrations.
- A new revenue has been added for a marijuana excise tax from sales at one City location. The City will receive 3.6% excise tax on sales per law. Sales of recreational marijuana began in August 2024, with the first distribution of funds expected to be received from the state in January 2025 and quarterly thereafter. The city conservatively estimated the 2025 budget at \$150k for the recreational marijuana excise tax.
- Minimum fund reserves have been established for the General Fund at 20% of operating expenditures.

**CITY OF BEAVERCREEK**  
**2025 BUDGET**  
**GENERAL FUND**

- The majority of expenditures in the General Fund are Personnel, Contractual Services, and Capital. Total budgeted expenditures for the General Fund for 2025 are projected to be \$5.4m.
  - All departments within the General Fund have Personnel expenditures except for Contractual Services, Planning & Development Boards, District Lighting, and the new division of Community Enhancement. Personnel related expenditures make up 49.5%, or \$2.7m of the General Fund.
  - Contractual Services expenditures make up 23.3%, or \$1.3m of the General Fund budget. The larger expenditures within Contractual Services includes annual audit fees, membership fees, legal fees, economic development expenditures, the General Fund's share of insurance, and electricity and light pole maintenance in the District Lighting department.
  - Transfers/Advances Out total \$240k. The General Fund has usually supported the golf course's capital needs through transfers, but thanks to a good year, healthy finances and a shrinking deficit, the transfer is not necessary in 2025. There is a \$240k annual transfer to the Park Levy Fund that was to assist with capital improvement projects, but will now be needed for regular operating needs, as a new parks levy failed in November 2024.
  - Capital is budgeted at \$1.1m or 20.3% of general fund expenditures. See highlights below for a detailed explanation of major capital projects.
  - Commodities are just 2.4% of the general fund budget.

**2025 General Fund - Revenues by Category**  
**\$6.8m**

**2025 General Fund -Expenditures by Category -**

GENERAL FUND**

**LEVY CYCLE:**

The General Fund does not have a voted levy. The General Fund receives approximately \$2.3m in non-voted inside millage.

**STRATEGIC PRIORITIES – GOALS & OBJECTIVES**

**City Manager**

**Duties of City Manager: City Charter and General**

1. **Goal:** Enforce the City of Beavercreek Charter and all ordinances and resolutions of the Council.
  - **Objective:** Ensure city procedures and policies are updated by review to reflect the charter and current ordinances and resolutions of City Council.
  - **Objective:** Continue reviewing and updating all administrative policies.
2. **Goal:** Hold a Council Management Strategy Session to build consensus with City Council for policy initiatives and strategic priorities.
  - **Objective:** Schedule Council Management Strategy Session in July 2025.
3. **Goal:** As necessary, utilize outside (non-city) input from residents, businesses and other sources through surveys, meetings and public forums to assist with options and information when developing policies, procedures and or significant decision points that impact the city and city services.
  - **Objective:** Utilize city communication tools to gather information and input from residents including surveys and open forums.
  - **Objective:** Form ad-hock City Manager committees as needed in order to obtain input and a different source of ideas.
  - **Objective:** Stay informed and maintain open communications with Beavercreek businesses through economic development services and Chambers of Commerce.
4. **Goal:** Continue active dialogue with neighboring communities regarding shared services, best practices, and policies and procedures.
  - **Objective:** Continue networking with area communities and sharing of ideas and possibilities of new and or expanded shared services, best practices, and policies and procedures.
  - **Objective:** Meet monthly with Beavercreek Township Administrator to provide city/township updates and sharing of ideas.
  - **Objective:** Meet monthly with Greene County City Managers to provide updates and sharing of ideas.
  - **Objective:** Meet monthly with Dayton Area Mayors and Managers to hear featured speaker/information and network for sharing of ideas.
  - **Objective:** Continue attending OCMA, ICMA, and other educational, training and collaborative opportunities.

**Diversified and Sustainable Revenue: City Council Strategic Priority**

1. **Goal:** Continue to develop strategies to provide long-term operational stability and sustainability.
  - **Objective:** See Finance goals and objectives.

**CITY OF BEAVERCREEK  
2025 BUDGET  
GENERAL FUND**

2. **Goal:** Continue to identify and implement long-term infrastructure funding mechanisms to meet current and future needs.
  - **Objective:** See Finance goals and objectives.
3. **Goal:** Annually, or as required, review city fees and charges.
  - **Objective:** Review Parks, Recreation & Culture fees.
  - **Objective:** Review Golf Course fees.
  - **Objective:** Review Cemetery fees and charges.
  - **Objective:** Review Planning & Development permit fees and charges.
  - **Objective:** Review Engineering permit fees and charges.
  - **Objective:** Review Impact Fee area in 2025.

**Engaged and Informed Community: City Council Strategic Priority**

1. **Goal:** Continue to develop and enhance communications with residents and employees.
  - **Objective:** See Communications goals and objectives.
2. **Goal:** Share with other communities the methods we found successful in educating and engaging our residents in city operations.
  - **Objective:** Develop a presentation to inform other communities about the city's advancements in engaging our residents of government funding and operations.

**Planned Infrastructure: City Council Strategic Priority**

1. **Goal:** Continue in development and improvement of 5-year capital plan for infrastructure and asset management maintenance and investment plan.
  - **Objective:** Continue to invest and expand financial and personnel resources to continue the process and development for city capital and infrastructure needs being proactive and forward thinking.

**Right-Sized Workforce: City Council Strategic Priority**

1. **Goal:** Focus on succession planning.
  - **Objective:** Identify key positions and develop a plan.

**Clerk of Council**

**Duties of Clerk of Council: City Charter and General**

1. **Goal:** Continue to comply with new or modified legal mandates at the local, state, and federal levels.
  - **Objective:** Review and modify as needed the record retention policy.

**CITY OF BEAVERCREEK**  
**2025 BUDGET**  
**GENERAL FUND**

- **Objective:** Continue the codification process in 2025 to update ordinances and resolutions twice a year.
  - **Objective:** Represent City Council in Public Records Request training to ensure city compliance and total transparency.
2. **Goal:** Continue to assist City Council members to help them in their roles on Council.
    - **Objective:** Provide assistance to City Council members by providing information, securing training and or event reservations, and supporting any other administrative needs.
  3. **Goal:** The Clerk of Council will give notice of Council meetings, advertise public hearings, record in journals all ordinances and resolutions approved by City Council, and ensure that such enactments are published as required by the Charter.
    - **Objective:** Provide timely notice of public meetings and public hearings as required, provide on-line copies of the agenda along with supporting documentation in the agenda packet for transparency.

## **Communications**

Beavercreek's Communications Division is responsible for overseeing all of the city's external and internal communications. This includes developing and implementing strategic communications and marketing strategies to best target, inform, and engage residents. This includes traditional and digital communications, marketing, public affairs, media relations, Beavercreek television, city branding, and publications.

### **Engaged and Informed Community: City Council Strategic Priority**

1. **Goal:** Increase Followers and Engagement for the City's Digital Newsletter.
  - **Objective:** Grow the number of newsletter subscribers.
  - **Objective:** Boost engagement by improving open rates and click-through rates.
2. **Goal:** Enhance civic engagement on city's social media platforms.
  - **Objective:** Expand the city's social media following, with a focus on Facebook and Instagram, to broaden the city's audience.
  - **Objective:** Enhance engagement by increasing likes, comments, and shares on posts.
3. **Goal:** Engage and inform residents through the continuation of Citizens Academy.
  - **Objective:** Promote and organize the city's third Citizens Academy, offering an interactive experience for residents to learn about city departments, services, programs, and more.
4. **Goal:** Increase use of city-wide, statistically-valid surveys through FlashVote.
  - **Objective:** Continue to promote FlashVote to grow the number of subscribers.
  - **Objective:** Gather valuable feedback from residents to better understand their priorities and needs.
  - **Objective:** Conduct annual benchmark surveys across city departments to track key performance indicators.

**CITY OF BEAVERCREEK  
2025 BUDGET  
GENERAL FUND**

5. **Goal:** Update the City's website.
  - **Objective:** Redesign the city's website to better align with brand guidelines and department goals, ensuring it remains the primary platform for residents to access information on city services, programs, and events.
  - **Objective:** Coordinate the redesign with CivicPlus to improve user experience and functionality.
6. **Goal:** Continue conducting annual town halls and quarterly community conversations.
  - **Objective:** Host city-wide town halls focused on current issues and topics.
  - **Objective:** Organize quarterly Community Conversations with City Council, giving residents the opportunity to discuss city matters in an informal, open setting.

**Engaged and Informed Community: City Council Strategic Priority**

1. **Goal:** Continue Communications Internships.
  - **Objective:** Maintain summer internship programs for social media content creators and graphic designers to support the city's communications efforts.

**Finance**

**Diversified and Sustainable Revenue: City Council Strategic Priority**

1. **Goal:** Provide exceptional financial services to the city.
  - **Objective:** Obtain 13<sup>th</sup> consecutive year award "Ohio Auditor of State Award with Distinction" for the city's Annual Comprehensive Financial Report (ACFR).
  - **Objective:** Continue all reporting requirements for grants and ARPA funds.
  - **Objective:** Develop city grant policy.
2. **Goal:** Develop long term financial strategies and alternatives to address funding, stabilization and timing of the city's levies.
  - **Objective:** Propose funding options that stabilize and fund operations appropriately to provide city services at desired service levels.
3. **Goal:** Update finance systems and protocols to increase operational efficiencies.
  - **Objective:** Implement new bank reconciliation procedures for faster balancing and timely monthly reports.
  - **Objective:** Investigate potential financial software solutions that could integrate finance, payroll and human resources platforms.

**CITY OF BEAVERCREEK  
2025 BUDGET  
GENERAL FUND**

**Right-Sized Workforce: City Council Strategic Priority**

1. **Goal:** Ensure finance staffing at appropriate level and training.
  - **Objective:** Train and develop new Finance employees and integrate positions and functions with cross-training and enhanced skills.
  - **Objective:** Add one new position to meet current demands.

**Human Resources**

**Right-Sized Workforce: City Council Strategic Priority**

1. **Goal:** Enhance file accessibility and organization, modernize city operations, and reduce reliance on physical document storage.
  - **Objective:** Evaluate Electronic Data Management Systems for electronic storage of the City's paper records.
2. **Goal:** Improve annual performance evaluation methods to ensure consistency across the City and to promote ease of use.
  - **Objective:** Route a signable document through Bamboo that supervisors can complete for non-union full-time employees' performance evaluations.
3. **Goal:** Form City-wide committees on safety and wellness.
  - **Objective:** Merge with Safety Committee currently existing in Parks & Public Services. Meet quarterly to review safety incidents and formulate lessons learned, as well as recommendations for improving safety in the City.
  - **Objective:** Merge with Health & Wellness Committee that meets annually to review insurance renewal rates for open enrollment and meet quarterly. This committee will focus more on wellness programming through Virgin Pulse to increase engagement and improve overall employee wellness. i.e., City events such as lunchtime walks, steps challenges, lunch & learns, etc.
  - **Objective:** Increase employee engagement and participation in health and wellness.
4. **Goal:** Encourage employee growth and adherence to compliance standards.
  - **Objective:** Conduct trainings for employees on topics such as sexual harassment, workplace safety, performance management (for supervisors), Equal Employment Opportunity (particularly for interviewers), drug-free workplace.
5. **Goal:** Review & revise City policies, admin memos, & job descriptions. Continue to support departments and employees with contract interpretation, disciplinary procedures, and personnel matters.
  - **Objective:** Update and ensure compliance of policies, admin memos, and job descriptions.

**CITY OF BEAVERCREEK  
2025 BUDGET  
GENERAL FUND**

**Information Services**

**Right-Sized Workforce: City Council Strategic Priority**

1. **Goal:** Review information technology services to determine the services levels meet or exceed the City's needs.
  - **Objective:** Review existing IT services contract and complete analysis of alternatives to ensure City IT services meet or exceed city-wide needs.
2. **Goal:** Develop long term IT equipment replacement program to ensure all components are identified and placed on replacement schedules.
  - **Objective:** Develop and review IT equipment needs, along with service requirements and enhancements to ensure effective IT services and funding for future funding considerations

**Planning and Development**

**Long-term Planning and Development: City Council Strategic Priority**

1. **Goal:** Comprehensive update to the Land Use Plan, Zoning Code and Property Maintenance Code.
  - **Objective:** Execute a contract with a 3rd Party Consultant by early January 2025.
  - **Objective:** Host series of public input sessions providing information and soliciting feedback.
  - **Objective:** Create draft updates of each of the documents and present to Planning Commission and City Council for feedback.
  - **Objective:** Present final draft to Planning Commission for recommendation, and City Council for approval.
2. **Goal:** Perform an Underutilized Properties Analysis.
  - **Objective:** Combining the use of GIS and "boots on the ground" fieldwork, compile a list of underutilized, underdeveloped or severely aged commercial properties in the City.
  - **Objective:** Create a comprehensive report and identify at least five priority areas that contain most underutilized, underdeveloped or aged properties.
  - **Objective:** Collaborate with the Beavercreek Development Corporation to develop recommendations for each priority area based on zoning, market conditions, and city goals.
3. **Goal:** Create Code Enforcement Target Areas.
  - **Objective:** Review previous two years of property maintenance violation cases utilizing GIS to determine if/where "hot spots" of violations have historically occurred.
  - **Objective:** Have the Code Enforcement Officer patrol "hot spots" at least once a month for proactive enforcement, and perform educational outreach for owners/occupants on properties that have potential violations, preventing small issues from ballooning into larger, costlier issues.
  - **Objective:** Conduct quarterly reviews and adjust enforcement strategies as necessary.

**CITY OF BEAVERCREEK  
2025 BUDGET  
GENERAL FUND**

4. **Goal:** Livable & Age-Friendly Communities.

- **Objective:** Secure financing from the Dayton Foundation to undertake a Community Needs Assessment in collaboration with Beavercreek Township.
- **Objective:** Select and engage a qualified firm to carry out the community needs assessment using the secured grant funding.
- **Objective:** Research and identify funding sources to support projects addressing the needs identified in the assessment.
- **Objective:** Present needs assessment, recommendations and potential funding sources to City Council at a work session.

**Engaged and Informed Community: City Council Strategic Priority**

1. **Goal:** Evaluate the grass and weed ordinances inclusion of Natural Landscaping options in residential neighborhoods.

- **Objective:** Conduct a thorough review of Chapters 97 and 153 of the City Code to identify necessary changes or updates. The goal is to provide residents with limited, clear regulations to allow the establishment of natural landscape areas on their property.
- **Objective:** Present proposed changes to City Council and solicit their feedback. Ensure that all concerns or suggestions are addressed and integrated into the final draft.
- **Objective:** Finalize and pass the revised ordinance by winter 2025, ensuring its readiness for implementation ahead of the 2025 growing season.

**Diversified and Sustainable Revenue: City Council Strategic Priority**

1. **Goal:** Community Investment Grant.

- **Objective:** Collaborate with the Assistant City Manager, Director of Public Services, and City Engineer to identify the most impactful potential project that aligns with Greene County's Community Investment Grant priorities.
- **Objective:** Partner with the Greene County Department of Development to develop a competitive grant application that aligns with the program's objectives and maximizes the chances of securing funding.
- **Objective:** Ensure the grant application is complete, accurate, and submitted on time, including all required documentation and supporting information.
- **Objective:** If awarded, manage the grant funds effectively, ensuring the project is executed efficiently and achieves the intended results.
- **Objective:** If the grant is not awarded, seek detailed feedback from the Greene County Department of Development to strengthen future applications.

**BUDGET HIGHLIGHTS:**

**Service Assumptions**

- Concentration has shifted to the continued development and redevelopment of the City and to provide tools and incentives to potential businesses to assist this goal. This includes the implementation of the Beavercreek Development Corporation (BDC), Community Reinvestment Act (CRA), and expansion of the Property Assessed Clean Energy (PACE) grants.

**CITY OF BEAVERCREEK**  
**2025 BUDGET**  
**GENERAL FUND**

- Departments have added support staffing in the form of part time employees, along with interns to help support various department operations. This includes more emphasis on information dissemination, including social media platforms and communications with the residents and employees. This also includes public meetings for planned infrastructure improvements and master planning for parks and facilities. Additional attention will be directed toward resident communication and feedback through various survey outlets.
- Continue to enhance the city's code enforcement efforts including the continuation of our neighborhood clean-up programs.

**Significant Changes in Revenue and Expenditure Projections**

**Revenue:**

- There will be a small increase in property tax revenue from new construction.
- Interest income has been increasing for the previous two years, but we project a slight downturn in 2025 because the Federal Reserve is beginning to cut interest rates.
- Most revenues throughout the general fund are expected to remain level.
- A new revenue has been added for a marijuana excise tax from sales at one City location. The City will receive 3.6% excise tax on sales per law. Sales of recreational marijuana began in August 2024, with the first distribution of funds expected to be received from the state in January 2025 and quarterly thereafter. The city conservatively estimated the 2025 budget at \$150k for the recreational marijuana excise tax.
- Franchise fees have been decreasing due to less cable usage.
- We budgeted an increase in hotel/motel tax revenue thanks to the reopening of a temporarily closed hotel and new fees on Airbnbs.

**Expenditures:**

- The General Fund has usually supported the golf course's capital needs through transfers, but thanks to a good year, healthy finances and a shrinking deficit, the transfer is not necessary in 2025.
- The city has budgeted for an additional position in the finance office.
- The city has included \$200k in the 2025 budget for a land use plan.

**Capital Improvements**

- \$1 million is budgeted for capital improvements through the general fund. Half of this is for Spring House Park in case the City needs to contribute money beyond what the state grant will cover. The rest is for sidewalk and drainage improvements.
- There are also funds (\$34K) for maintenance facility building improvements.

**CITY OF BEAVERCREEK  
2025 BUDGET**

**POLICE OPERATING FUND (202), LAW ENFORCEMENT FUND (223), VARIOUS SPECIAL POLICE FUNDS, GRANT FUNDS (245)**

**FUND PURPOSE:**

The Beavercreek Police Department's primary responsibilities is to work in partnership with the community, safeguard life and property while ensuring the rights of all people, and thereby enhancing the quality of life for the residents. The fundamental goals are to: maintain order in the community, protect life and property, suppression of criminal activity, apprehension and prosecution of offenders, regulation of non-criminal conduct, and preservation of the public peace.

**KEY FINANCIAL FACTORS:**

- Police Operating Fund (Fund 202) is the main operating fund used for police operations. The expenditure budget is \$13.9m for 2025. The Department is funded primarily with property taxes, which comprises \$13.1m and represents 93.4% of the fund's revenue. The majority of remaining revenue is generated from shared services for fire dispatch with Beavercreek Township, School Resource Officer reimbursements, and the state's 911 shared funds.
- Over \$10.5m, or 75.7% of fund expenditures are derived from personnel costs. Contractual Services represent the second largest expense category, which includes contractual agreements for municipal courts, prosecution services, prisoner care, victim assistance programs, and various software maintenance agreements. Contractual expenditures also includes the Interfund charge for indirect cost of services provided by the General Fund and represents \$1.9m or 13.7% of total police fund expenditures.
- Law Enforcement (Fund 223) and Federal Forfeiture (Fund 229) are funded through restitutions and sale of forfeited assets. These funds are used to support ACE Task Force and RERT contributions and help with specialized training for officers and the capital needs of police operations.
- The Police have other various Special Revenue funds depicted in detail in the budget. One of these is Police Grants (Fund 245), which is used to isolate Ohio Department of Public Safety reimbursement for two safety traffic programs used to reimburse expenses for overtime wages, benefits, and fuel.
- Minimum fund balance has been established for the Police Operating Fund at 20% of the expenditures.

2025 Police - Revenue by Category - \$14.0m

2025 Police - Expenditure by Category - \$13.9m

**CITY OF BEAVERCREEK  
2025 BUDGET**

**POLICE OPERATING FUND (202), LAW ENFORCEMENT FUND (223), VARIOUS SPECIAL POLICE FUNDS, GRANT FUNDS (245)**

**LEVY CYCLE:**

- Continuing 0.9 Mill Levy that generates an estimated \$378k annually.
- Continuing 3.0 Mill Levy that generates an estimated \$1.7m annually.
- Continuing 1.2 Mill Levy that generates an estimated \$773k annually.
- Indefinite 0.3 Mill State Authorized Levy dedicated to paying Police Pensions estimated to be \$613k annually.
- Continuing 4.5 Mill Levy that generates an estimated \$6.43m annually.
- Continuing 1.8 Mill Levy that generates an estimated \$3.02m annually. (New in 2024)

**STRATEGIC PRIORITIES – GOALS AND OBJECTIVES**

**Diversified and Sustainable Revenue: City Council Strategic Priority**

1. **Goal:** Administrate impaired driving enforcement and selective traffic enforcement.
  - **Objective:** Continue traffic enforcement efforts with grant funding.
2. **Goal:** Grant funding for Body Worn Cameras and Ballistic Vests.
  - **Objective:** Obtain the grant funding for these programs.

**Engaged and Informed Community: City Council Strategic Priority**

1. **Goal:** Respond to the needs of residents, including vehicular and pedestrian traffic-related concerns.
  - **Objective:** Obtain grant funding (2025-2026 grant cycle) opportunities for SHEP grants.
2. **Goal:** Conduct annual community engagement events.
  - **Objective:** Conduct a Safety Town.
  - **Objective:** Hold an Open House – National Night Out.
  - **Objective:** Conduct a Citizens Policy Academy.

**Right-Sized Workforce: City Council Strategic Priority**

1. **Goal:** Continue to address staffing needs for police officers.
  - **Objective:** Fill staffing levels to 55 sworn officers.
  - **Objective:** Proper staffing levels are needed to be able to conduct community outreach and engagement events.

**CITY OF BEAVERCREEK  
2025 BUDGET**

**POLICE OPERATING FUND (202), LAW ENFORCEMENT FUND (223), VARIOUS SPECIAL POLICE FUNDS, GRANT FUNDS (245)**

2. **Goal:** Continue supervisory and leadership development for command and supervisory personnel.
  - **Objective:** Transition to a new Chief of Police and one new Captain.
  - **Objective:** Focus on succession planning and enhance learning opportunities for leadership.

**Public Safety – Prevention, Education, and Support: City Council Strategic Priority**

1. **Goal:** Complete CALEA year-1 assessment in preparation for the 2028 on-site re-accreditation process.
  - **Objective:** The continuous process of providing citizens with a successful, well-managed, transparent, community-focused public safety agency.
  - **Objective:** Continued commitment to the accreditation process to increase our accountability to our citizens and the community we serve.
  - **Objective:** The department proactively seeks ways to prevent crime and work in partnership with our social agencies and schools.
2. **Goal:** Prevention and Deterrence of Crime, Apprehension of Offenders, Community Engagement, and Utilization of Resources.
  - **Objective:** Continue in the CALEA accreditation process by completing applicable proof documentation.
  - **Objective:** Administer the SHEP grant awarded by the Ohio Traffic Office for the 2024-2025 grant year.
  - **Objective:** Conduct “Safety Town” events to educate pre-school children about safety awareness.
  - **Objective:** Conduct Police Department Open House and National Night Out community events.
  - **Objective:** Conduct the annual Citizen’s Police Academy.

**BUDGET HIGHLIGHTS:**

**Service Assumptions**

- As a result of passing a levy in 2023, the authorized level for sworn officers has increased from 50 to 55.
- The Communications Center is fully staffed with 12 members and we expect to fill the Records Center staff by hiring a third member late in 2024.
- Revenue is stable, minor property tax increase for new construction.

**Significant Changes in Revenue and Expenditure Projections**

- The City recently finalized a new three-year agreement with the Fraternal Order of Police. Patrol salaries will increase five percent in 2025 and civilian salaries will increase four and a half percent.
- Reimbursement for the School Resource Officers is projected based on contractual agreement with the school district for 2025-2026.
- The department continues to take advantage of State and Federal grant opportunities that include the annual bullet-proof vest replacement grant (50%) and the application of a body-worn camera grant to update cameras and software.
- Revenue will continue in the Summer Holiday Enforcement Program (SHEP) traffic grant for 2025. We will continue to monitor the possibility of traffic enforcement grants in the 2025 grant cycle.

***CITY OF BEAVERCREEK***

***2025 BUDGET***

***POLICE OPERATING FUND (202), LAW ENFORCEMENT FUND (223), VARIOUS SPECIAL POLICE FUNDS, GRANT FUNDS (245)***

**Capital Improvements**

- The parking lot extension will take place in 2025, however, ARPA dollars and money budgeted in 2024 will carry most of the cost.

**Equipment/Vehicle Replacement Schedule**

- The 2025 budget reflects continuation of the four-year fleet rotation program with the replacement of four patrol vehicles and one unmarked vehicle.
- The budget also contains funds for mobile computer and radio replacements. The replacement of a box trailer, a replacement RERT van, new RERT night vision goggles and six additional flock cameras bringing our total to 21.

**Additional Factors**

- The building remains a significant concern because of space and security issues. The last three onsite accreditation reviews cited a number of concerns regarding space issues in the storage of evidence/property, access to detainee areas and locker rooms. In addition, the lack of enclosed secure parking area continues to pose significant security concerns, which were specifically identified by the CALEA assessors during the last onsite review.

**CITY OF BEAVERCREEK  
2025 BUDGET**

**STREET LEVY (203), STREET MAINTENANCE (204), STATE HIGHWAY (205), STREET IMPROVEMENT LEVY (260) & CAPITAL IMPROVEMENT FUND (408)**

**FUND PURPOSE:**

Provide street repair and maintenance, issues and monitors annual street paving contracts, and accounts for major capital infrastructure street improvements as part of the Five-Year Capital Improvement Plan.

**KEY FINANCIAL FACTORS:**

- These funds are funded through a mixture of property taxes, state levied gasoline tax and motor vehicles license registration fees and grants for various street projects. Property taxes generate \$13m or 51.9% of the total revenue for the various funds used to construct and maintain the City's road infrastructure.
- In the 2025 budget, grants are expected to increase \$4m to \$7.5m due to a number of grants to fund projects within the City.
- Intergovernmental revenue is the third largest source of revenue and consists of various motor vehicle license and gas tax monies passed through the State. In 2025 this is projected to be \$3.7m which is consistent with revenues budgeted for 2024.
- Expenditures within these funds are primarily related to capital expenditures, which includes not only capital improvements making the City's roads safer and more efficient, but also includes maintenance of existing roads and equipment. In 2025, capital expenditures are budgeted at \$16.6m a \$5.1m increase from 2024's budget. Much of this increase is the result of grants the City sought for some of its larger projects.
- Personnel expenditures represent 17.2% of the street budget and are expected to increase to \$4.6m in 2025 due to wage and benefit increases.
- Contractual expenditures include utilities, interfund charges, vehicle maintenance, audit fees and the city's resurfacing and curb repair program and make up 15.3% or \$4.1m of the 2025 budget.

**2025 Street Funds - Revenue by Category**  
\$25.0m

**STREET LEVY (203), STREET MAINTENANCE (204), STATE HIGHWAY (205), STREET IMPROVEMENT LEVY (260) & CAPITAL IMPROVEMENT FUND (408)**

**LEVY CYCLE:**

Continuous 1.0 Mill Renewal Levy that was renewed in November of 2017 and generates an estimated \$1.42m annually  
Continuous 2.0 Mill Street/Capital Levy was renewed in March 2019 and generates an estimated \$2.86m annually  
Continuous 3.4 Mill Levy was renewed and made continuous in 2021 and generates an estimated \$4.88m annually  
Continuous 2.15 Mill Levy was passed in 2022 and generated an estimated \$3.6m annually

**Strategic Priorities - Goals & Objectives**

**Planned Infrastructure: City Council Strategic Priority**

1. **Goal:** Manage and maintain storm water system.
  - **Objective:** Replacement or repairs of CMP culverts and catch basin repairs in Apple Valley East. Start inspections for future replacements in country acres, hawthorn glen, walnut grove, Beaverbrook.
  - **Objective:** Proactively sewer jet neighborhoods with known cross tile issue, starting with Knollwood and Country Acres.
  - **Objective:** Complete annual National Pollutant Discharge Elimination System (NPDES) report to Ohio EPA.
2. **Goal:** Maintain green infrastructure.
  - **Objective:** Focusing on hardscape, landscape beds, high traffic areas and corporation signs. In 2025 our crews will focus on updating landscaping at the 9/11 memorial. Vendor will service corporation signs April – October. Internal staff will develop plan for landscape beds by end of Q1.
  - **Objective:** Work with Tree Advisory Board to finalize tree scape plan along Dayton Xenia, removing and replacing hazardous and unhealthy trees.
3. **Goal:** Maintain safe passage on all City roadways.
  - **Objective:** Respond to work request in a timely manner. High/Emergency work orders should be addressed in 24 hours (repair or communicate). This work includes but not limited to potholes roads, traffic signals, signage, and drainage issues.
  - **Objective:** Replace and repair all city owned flag and banner hardware (not veteran banners).
  - **Objective:** Update post and signs in the following neighborhoods Shaker Hikes, Ashland Hills, Tara Estates, Shaker Estates, and Fairbrook Estates.
  - **Objective:** Upgrade no parking signs in Ferguson Estates.
4. **Goal:** Plan, direct and supervise the annual construction programs throughout the city as noted in the Five-Year Capital Improvement Plan in coordination with state, regional and local plans.
  - **Objective:** Resurface an average of 12 centerline miles annually to maintain pavement life cycle 20 year. This includes repairing curb ramps to ADA standards, drop curb for driveway approach and curb repair.
  - **Objective:** Complete curb, apron, sidewalk, and ADA upgrades on all streets in the resurfacing program.

**CITY OF BEAVERCREEK  
2025 BUDGET**

**STREET LEVY (203), STREET MAINTENANCE (204), STATE HIGHWAY (205), STREET IMPROVEMENT LEVY (260) & CAPITAL IMPROVEMENT FUND (408)**

- **Objective:** Construction projects including N. Fairfield Road Widening (Lawson to Fairwood), Factory Road Bridge Reconstruction, N. Fairfield Road Widening (Shakertown to Fairbrook School), Dayton-Xenia Road Widening (Meadow Bridge to Darlington), and Beaver Vu Drive at N. Fairfield Road Widening.
  - **Objective:** R/W Purchases completion for Shakertown Road Sidepath and Grange Hall Road Pedestrian Upgrades.
  - **Objective:** Design process completion for N. Fairfield Road Widening (Claydor to Kemp), Kemp Road Sidewalks (N. Fairfield to Hanes), Indian Ripple Road Widening (Barronwood to East Corp.), N. Fairfield Road Resurfacing (Jonathon to Beaver Vu), Grange Hall Road Pedestrian Upgrades, Kemp Road Widening (Meadowcourt to Bluewing), and MMF Vehicle Storage Improvements.
5. **Goal:** Manage and maintain City Facilities for ease of public use.
- **Objective:** Implement year 5 of building improvements towards meeting ADA requirements in Parks and recreation facilities.
  - **Objective:** Replace MMF condensing unit by end of Q3.
  - **Objective:** Replace waste oil furnace by end of Q3.
  - **Objective:** Assist other departments with projects.
6. **Goal:** Provide emergency response to protect and repair the City's infrastructure.
- **Objective:** Staff training opportunities to improve readiness for emergency training.
  - **Objective:** Optimize City fleet by maintain a comprehensive preventive maintenance program.
  - **Objective:** Review and implement City snow plan.
7. **Goal:** Update and monitor City standards for private development.
- **Objective:** Traffic Impact Fee Update Q3.
  - **Objective:** Update Construction Standards Manual Q4.

**Right-sized Workforce: City Council Strategic Priority**

1. **Goal:** Utilize efficient, proactive management of staff.
- **Objective:** Add unfunded drainage improvement projects to GIS system by the end of Q4.
  - **Objective:** Add projects in 5 Year Capital Improvement Plan to GIS database by the end of Q2.
  - **Objective:** GIS support of thoroughfare plan update by end of Q2.

**Diversified and Sustainable Revenue: City Council Strategic Priority**

1. **Goal:** Utilize fiscally sound strategies and a diversified and sustainable revenue stream
- **Objective:** Streamline asset disposal process by better utilizing fleet replacement schedule to maximize asset equity liquidation.

**CITY OF BEAVERCREEK  
2025 BUDGET**

**STREET LEVY (203), STREET MAINTENANCE (204), STATE HIGHWAY (205), STREET IMPROVEMENT LEVY (260) & CAPITAL IMPROVEMENT FUND (408)**

- **Objective:** Prepare grant applications for new Federal aid, Ohio Public Works Commission and other funding sources in the end of 2<sup>nd</sup> quarter and early 3<sup>rd</sup> quarter.

**BUDGET HIGHLIGHTS:**

**Service Assumptions**

- Full-time staffing will remain at current levels to ensure existing level of service for street maintenance activities including snow removal. The department plans on hiring two new part time employees to assist with street maintenance and one for building maintenance. Seasonal staff shortages will be supplemented with contractual mowing and landscaping.
- The city budgets for an average snow and ice event season. A total of 6,000 tons of salt have been budgeted across funds 203, 204, & 205. Salt prices have moved from \$86.81 per ton for 2023, \$94.71 per ton for 2024 and back down to \$61.60 per ton for 2025. The salt barn will be fully stocked under new low pricing. The barn was emptied in 2024 due to the redevelopment of the site and completion of the new salt barn. In addition, any extreme or light season affects actual expenditures for wages/benefits/overtime and commodity costs (i.e. gasoline/diesel and salt purchases).
- Resurfacing will be budgeted at \$1.9m split between funds 203, 204 and 260. The resurfacing funding levels over the past several years are getting the city closer to the goal of resurfacing all residential streets on a 20 year cycle.
- Curb work will also be addressed and is budgeted at \$575k. Priority has also been placed on addressing side paths adjacent to City roadways of which \$10K is being budgeted from street funds and \$90k is budgeted from the general fund.
- \$150,000 has been budgeted in the General Fund to continue a sidewalk replacement program in 2025. The exact structure of this new service as well as the long-term financing of this program is still under review and will be presented to City Council before being implemented.
- \$200,000 has also been budgeted in the General Fund to continue addressing ditch maintenance needs within the City. This funding will be limited to only ditches within public storm water easements, and ditches upon City owned property.
- The increase in operational costs reflects the expanded scope of work now being completed in-house, thanks to the additional staff funded by the 2022 levy. This proactive approach allows us to efficiently handle more projects internally, including the repair of City roadways following Greene County Sanitary excavations, for which the City is billing Greene County, ensuring cost recovery.
- Fuel costs have been budgeted assuming stable gasoline and diesel costs in 2025 with \$3.25 per gallon for gasoline and \$3.75 per gallon for diesel.

**Significant Changes in Revenue and Expenditure Projections**

- Property tax revenue of \$13m is budgeted for 2025, slightly higher than 2024's collection due to new construction.
- Gasoline taxes have been budgeted at the same level as 2024 levels based on Ohio Department of Transportation objectives.
- License fees are projected to be at the same level as 2024.
- Motor vehicles taxes have been increased from 2024 levels where they were under-budgeted.
- Personnel costs will follow negotiated agreements with COLA and step increases.
- Capital expenses have increased from \$11.3m to \$16.6m, much of that is grant-funded.
- Non-personnel costs (services, supplies, etc.) are level.

**CITY OF BEAVERCREEK  
2025 BUDGET**

**STREET LEVY (203), STREET MAINTENANCE (204), STATE HIGHWAY (205), STREET IMPROVEMENT LEVY (260) & CAPITAL IMPROVEMENT FUND (408)**

**Capital Improvements**

The Engineering Department has compiled a detailed five-year capital improvement program, which includes updated project completion dates and grant funding. It is assumed that these projects will be paid for from existing funds and the city will not issue any debt or capital project loans to fund these projects. With the passage of the street levy in 2022, several building projects and capital equipment purchases that were delayed in previous years can now be included in the 2025 budget. The specific projects for construction, right of way acquisition, and design are listed below in the goals and objectives section.

**Building maintenance projects budgeted for 2025 are listed below:**

<b><u>Project/Purchase Description</u></b>	<b><u>Fund/Account</u></b>	<b><u>Project Cost</u></b>
Replace Waste Oil Furnace	203-513250-4800	\$ 35,000
Replace Condensing Unit	203-513250-4800	\$ 60,000
Replace Genie Lift	203-513250-4800	\$ 18,000
Replace City Hall Air Handler	101-513250-4800	\$ 25,000
Replace ductless mini split City Hall	101-513250-4800	\$ 9,000
	<b>Total</b>	<b>\$ 147,000</b>

**Public Service has budgeted \$830,500 for equipment replacement in 2025 as noted below.**

<b><u>Capital Equipment</u></b>	<b><u>Fund/Account</u></b>	<b><u>Cost</u></b>
2 – Replace Plow Truck (2006)	203-573320-4471	\$ 500,000
1 – New Mini-Excavator	203-573320-4471	\$ 65,000
1 – Replace Road Roller (2000)	203-573320-4471	\$ 30,000
4 – Replace Pre-Treat Brine Tanks (08)	203-573320-4471	\$ 50,000
1 – Replace Tilt Deck Trailer (1993)	203-573320-4471	\$ 18,000
1 – Plow and Spray Upfit (F-350)	203-573320-4471	\$ 25,000
1 – Replace Street Saw (2003)	203-573320-4471	\$ 20,000
1 – Replace Plate Compactor (2010)	203-573320-4471	\$ 5,000
1 – Add Sweeper Bucket	203-573320-4471	\$ 7,500
1 – Add Tamping Rammer	203-573320-4471	\$ 5,000
6 – Replace Pneumatic Pumps	203-573340-4436	\$ 6,000
1 – Replace F350 (02 & 08)	203-573410-4471	\$ 80,000
1 – Add Gas Powered Post Driver	203-573510-4436	\$ 5,000
1 – Replace Small Line Stripper	203-573510-4471	\$ 14,000
	<b>Total</b>	<b>\$ 830,500</b>

**CITY OF BEAVERCREEK  
2024 BUDGET**

**PARK LEVY FUND (279), COMMITTED PARK MONIES (712), MISCELLANEOUS TRUST FUND (750), BEQUEST FUND (816)**

**FUND PURPOSE:**

The Park Levy fund is used to account for levy proceeds and charges for services designed to operate and maintain city parks, to preserve natural areas, to promote health and wellness, to provide quality leisure opportunities, and to increase cultural awareness for the benefit of the Beavercreek community. This levy also funds the capital improvement plan for the park system and provides funding for the debt service related to the Lofino Plaza renovations.

**KEY FINANCIAL FACTORS:**

- The majority of Park Levy Fund (279) revenue is generated a 1.2 mill property tax levy, which produces \$1.8m, or 55.9% of annual revenue. In addition, historically there has been \$240k annual transfer from the General Fund to support capital improvements, but with the failure of the levy the transfer will be needed to subsidize the operations of the Park Fund. Other revenue sources are fees generated from programs and donations that cover the cost of citywide/special events (i.e., 4<sup>th</sup> of July, Fishing Derby, Try-a-Truck, etc.), membership fees, rental revenue, programs, and grants including \$311k from Greene County Council on Aging. Charges for services have been increasing with more program registration and activity at the senior center. There are also shared services reimbursements from Beavercreek Township Park District for general maintenance of Owen's Place and Angel's Pass Parks, and from Beavercreek Township for the shared expense of senior center capital projects.
- The largest expenditure category for parks are personnel cost which represents 55.5% of the 2025 budget or \$1.7m. The second largest is contractual which includes monies for maintaining the parks, programs offered through the parks and the interfund charge to the general fund.
- Committed Park Monies Fund (712), collects and accounts for fees, which are charged to new residential subdivisions. These fees can be used for the acquisition, development and improvement of park and recreational facilities.
- Miscellaneous Trust Fund (750), is used to collect and hold assets in a trustee capacity. In addition to grants, donations are also held for the Senior Center Growth Fund, camp scholarships, and park improvements. Expenditures can only be spent for the designated use of these revenue sources.
- Cemetery Bequest Fund (816), are monies that have been received based on a percentage of cemetery fees. These fees are to use for the general care, maintenance or upgrade of the city's cemeteries. Proceeds from this revenue source are split between this fund and the General Fund.
- Minimum fund reserves have been established for Park Levy Fund at 20% of expenditures.

2025 Parks Fund- Revenue by Category

2025 Parks funds - Expenditures by Category

**CITY OF BEAVERCREEK  
2024 BUDGET**

**PARK LEVY FUND (279), COMMITTED PARK MONIES (712), MISCELLANEOUS TRUST FUND (750), BEQUEST FUND (816)**

**LEVY CYCLE:**

Continuing 1.2 mill Parks Levy. The levy was originally passed in 2015 as a .9 mill levy. In 2019 the millage was increased by .3 and at that time was made continuous. The 1.2 mill levy is estimated to generate \$1.8m annually.

**STRATEGIC PRIORITIES – GOALS & OBJECTIVES**

**Maintaining and Developing Family Friendly Parks: City Council Strategic Priority**

1. **Goal:** Quality Parks and Recreation Facilities: Provide a variety of parks that take advantage of existing assets and develop modern facilities that serve as destinations for community recreation.
  - **Objective:** Install internet access at CI Beaver Hall. (Q1)
  - **Objective:** Implement Phase 1 development at Spring House Park. (Q4)
  - **Objective:** Modernize security and access control at Rotary Park. (Q2)
  - **Objective:** Install AED at Dominick Lofino Park. (Q3)
  - **Objective:** Renovate Senior Center front reception area to create ADA compliant space for guests, volunteers, and staff. (Q2)
2. **Goal:** Improved Connectivity: Increase connectivity between parks, nature and the community.
  - **Objective:** Install trail directional signage at Spring House Park. (Q1)
  - **Objective:** Manage and measure engagement at community outreach events to raise awareness of parks and programs, determine needs, and identify barriers to park experiences. (Q4)
3. **Goal:** Attractive Programs and Quality Experiences: Offer a variety of recreational programs and events for users of all ages and abilities.
  - **Objective:** Explore opportunities for additional week of summer camp in 2025 to help address camp demand and waitlists. Create plan for expanding summer camp in 2026. (Q4)
  - **Objective:** Partner with local businesses and organizations for three new engaging programs. (Q4)
  - **Objective:** Add additional concert night specifically targeting young adults and families. (Q3)
  - **Objective:** Implement two ADA improvements at community events (i.e. 4<sup>th</sup> of July layout, inclusive language). (Q3)
  - **Objective:** Host a 20<sup>th</sup> Anniversary party at the Lofino Center. (Q4)

**Right-Sized Workforce and Diversified and Sustainable Revenue: City Council Strategic Priority**

1. **Goal:** Effective Management and Efficient Operations: Utilize efficient, proactive management of staff and fiscally sound strategies to promote an informed population and a safe environment at parks.
  - **Objective:** Implement one new strategy to increase volunteer projects through more responsive and efficient volunteer management. (Q3)
  - **Objective:** Create career development and training plan for all administrative parks staff. (Q1)

**CITY OF BEAVERCREEK  
2024 BUDGET**

**PARK LEVY FUND (279), COMMITTED PARK MONIES (712), MISCELLANEOUS TRUST FUND (750), BEQUEST FUND (816)**

- **Objective:** Utilize two new strategies for sponsorships:
  - Create and implement coordinated sponsorship plan for National Night Out with Police. (Q3)
  - Create policy for corporate sponsorship and facility naming rights in parks. (Q4)
- **Objective:** Facility rentals – implement two new strategies for efficiency of managing rentals including procedures for tours, payment, and key pick up. (Q4)
- **Objective:** Update cost recovery policy. (Q1)
- Update CAPRA re-accreditation standards ahead of first re-accreditation in 2026. (Q4).
- Recruit 10 new volunteers in transportation. (Q4)

**BUDGET HIGHLIGHTS:**

**Service Assumptions**

- Additional 0.49 mill levy failed, leading to a cut back in capital expenses of approximately \$242k.
- Despite the levy failure, the Park Levy fund budget maintains the 20% minimum fund balance requirement.
- Staffing levels will remain the same as 2024. Seasonal staff shortages will be supplemented with contractual mowing and landscaping.
- More recreational classes are being offered for both adults and seniors which equates to an increase in instructor fees.
- Expanding summer camp by one week to align with school break and meet growing demand.

**Significant Changes in Revenue and Expenditure Projections**

- The Senior Center is budgeted to receive a \$9k increase (3%) from Greene County Council on Aging levy.
- Recreation and Senior Center program and class fees and offerings are increasing in 2025.
- Facility rental rates are increasing at C.I. Beaver Hall and Wartinger Park in 2025.
- Parks staff applied for an ODNR NatureWorks grant in the amount of \$31,319 for the installation of a paved parking lot at Wartinger Park.
- Estimated fuel costs for 2025 have stabilized and have been conservatively budgeted at \$3.25 for unleaded and \$3.75 for diesel.
- Created budget line item for building security to install new hardware, locks and cameras within parks facilities.
- Polyurethane coating of the Lofino Plaza Multipurpose Room floor at an estimated cost of \$18,000.

**Capital Improvements**

- Significant reduction in capital improvements in 2025 due to lack of additional revenue. Deferment of capital improvements will offset the approximate \$250,000 deficit created by inflationary factors and wage increases for 2025.
- Paving the parking lot at Wartinger Park is receiving 75% grant funding and the remaining 25% is paid for through rental fees.
- The Phase One Development at Spring House Park is funded 100% through the State of Ohio's One Time Strategic Funding. Staff will pursue additional grants to build on the momentum of the initial \$1M investment in the northeast corner of the park.
- The 2025 proposed budget also puts into practice the cost-sharing agreement with the Township for Senior Center repairs and capital expenses, including updating the reception area to be ADA-compliant.

**CITY OF BEAVERCREEK**  
**2025 BUDGET**  
**GOLF COURSE FUND (572)**

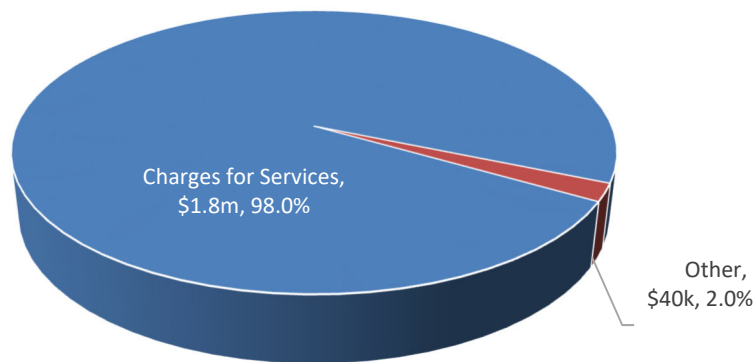

**FUND PURPOSE:**

The Golf Course Fund is considered an enterprise fund, which has been established to account for all operations of the city's golf course. The fund is designed to record revenue (Charges for Services and Interfund Transfers) and expenditures for the operations of the golf course.

**KEY FINANCIAL FACTORS:**

- The Golf Course Fund's primary revenue sources are Charges for Services totaling \$1.7m or 98%. Charges for Services is comprised mostly of golf fees and food and beverage revenue. Examples of golf fees include season passes, green fees, cart fees, merchandise sales, driving range, and other miscellaneous golf sales, representing 86% of the category. Food & Beverage sales comprise the other piece of service revenue, totaling 14%.
- In most years, a general fund transfer has supplemented golf revenue, but thanks to improved finances, more volume and a shrinking deficit in 2025, a transfer will not be necessary.
- Personnel costs account for 44.5% of the fund's expenditures. The General Fund usually transfers funds to the golf course each year to help cover the debt service payment, capital and any operating deficit, but will not in 2025. In 2023, the golf course's construction bond was paid in full. The judgment bond is now the only debt service obligation the golf course has, representing \$76k. Capital expenditures make up 23.1% of the budget or \$560k and include expenditures to maintain the course and building as well as leases on the golf carts. Commodities represent 20.3% of the budget or \$492k and is comprised primarily of merchandise, food items and utilities.

2025 Golf Fund - Revenues by Category  
\$1.8m

2025 Golf Expenditures by Category  
\$2.4m

**CITY OF BEAVERCREEK  
2025 BUDGET  
GOLF COURSE FUND (572)**

**STRATEGIC PRIORITIES – GOALS AND OBJECTIVES**

**Diversified and Sustained Revenue: City Council Strategic Priority**

1. **Goal:** Strive towards operational net profit.
  - **Objective:** Obtain 34,000 rounds of play.
  - **Objective:** Cover 100% of our operational expenses through user fees.
  - **Objective:** Review rates and pricing structure as necessary, including the exploration of dynamic pricing feature available through the existing point of sale system.
  - **Objective:** Identify new services to provide revenue streams by using existing programs or facilities.

**Planned Infrastructure: City Council Strategic Priority**

1. **Goal:** Be environmental stewards of our land.
  - **Objective:** Audubon Society Certification renewal 2025
  - **Objective:** Purchase products to improve turf quality that are environmentally friendly.
  - **Objective:** Aerating greens, tees, and fairways to create healthy turf growth.
2. **Goal:** Maintain what we have while slowly investing in the future.
  - **Objective:** Complete cart path resurfacing phase – Hole #11.
  - **Objective:** Complete final phase of bunker renovation project.

**Family Friendly Parks: City Council Strategic Priority**

1. **Goal:** Provide an affordable and family friendly atmosphere for all to enjoy whether it is through golf or special / social events.
  - **Objective:** Administer junior golf clinics as well as beginner and ladies clinics.
  - **Objective:** Party on Patio social events.
  - **Objective:** Continue to provide incentives for youths including kids under 12 play free with paying adult.

**Right-Sized Work Force: City Council Strategic Priority**

1. **Goal:** Provide excellent customer service to meet and exceed expectation of our residents and guests.

**CITY OF BEAVERCREEK**  
**2025 BUDGET**  
**GOLF COURSE FUND (572)**

- **Objective:** Establish the need for a seasonal position to assist with outings & F&B events. With increase in golf course usage and demand, we may need to look at a fulltime position for the 2025 budget.
- **Objective:** Continue with new technology to provide live scoring for outings using our GPS units on every cart.

**BUDGET HIGHLIGHTS:**

**Service Assumptions**

- For budget purposes, the golf course has often used a conservative estimation for the number of rounds of golf. The past three years have exceeded these numbers. The 2025 budget reflects increased number of rounds based on the last two years, reflecting a 13.5% increase in estimated Golf Course Fee revenue, with large increases in Green Fees, Cart Fees and Driving Range revenue.
- This increase in service levels in golf has an ancillary effect on other areas for revenue generation including food and beverage and merchandise purchases. Full service food and beverage operations have been scaled back which has proven to be successful. This will be the third consecutive year Food & Beverage operations finish the year with revenues exceeding expenses.
- The course added a new golf cart fleet and GPS programming which has enhanced the golfing experience. Additionally, new software was purchased to provide live scoring on the recently installed GPS units for tournaments and outings to increase the excitement and enjoyment of the events, which has been very successful. As a result of the continued increase in golf rounds, part-time and seasonal employee's hours will continue to expand as necessary to accommodate the increased service levels.

**Significant Changes in Revenue and Expenditure Projections**

- Full time staffing will remain at current levels. A second part-time event coordinator was added in 2024 to assist with daytime functions and events.
- The cost of fertilizer, chemicals, and pesticides are expected to increase, driving a rise in the golf course maintenance budget.
- Credit card fees are now caught up from past years and properly posted, therefore, that line item sees a decrease in the 2025 budget.

**Capital Improvements/Equipment/Vehicle Replacement Schedule**

- The 2025 capital budget includes \$250k for phase III of the bunker renovation program. Of this \$250k, \$75k has been budgeted to continue the annual cart path resurfacing program, \$20K for a new cart bridge on hole #1, \$31K for a bunker sand pro and \$25K to replace two HVAC units.
- The city has budgeted for the fifth of a five-year lease, with payments of \$54.9k per year for golf maintenance vehicles purchased in 2021.
- The city entered into a new five-year lease purchase agreement for replacement of gas powered golf carts that were delivered in 2022. The lease payment is approximately \$63.7k this year.
