

Safety Town is a four-day interactive and educational experience for children **entering kindergarten and first grade in the Beaver Creek City Schools District**. Beaver Creek police officers and guest speakers provide age-appropriate instruction in various topics including traffic safety, pedestrian and bike safety, fire safety, poison prevention, safety around dogs, stranger awareness, school and bus safety, 911 usage, emergency preparedness, and gun safety. Children enjoy our interactive miniature town by “driving” around the streets and walking along the sidewalks with crosswalks, stop signs and real working traffic signals.
