

Greene County Sanitary Engineering Press Release

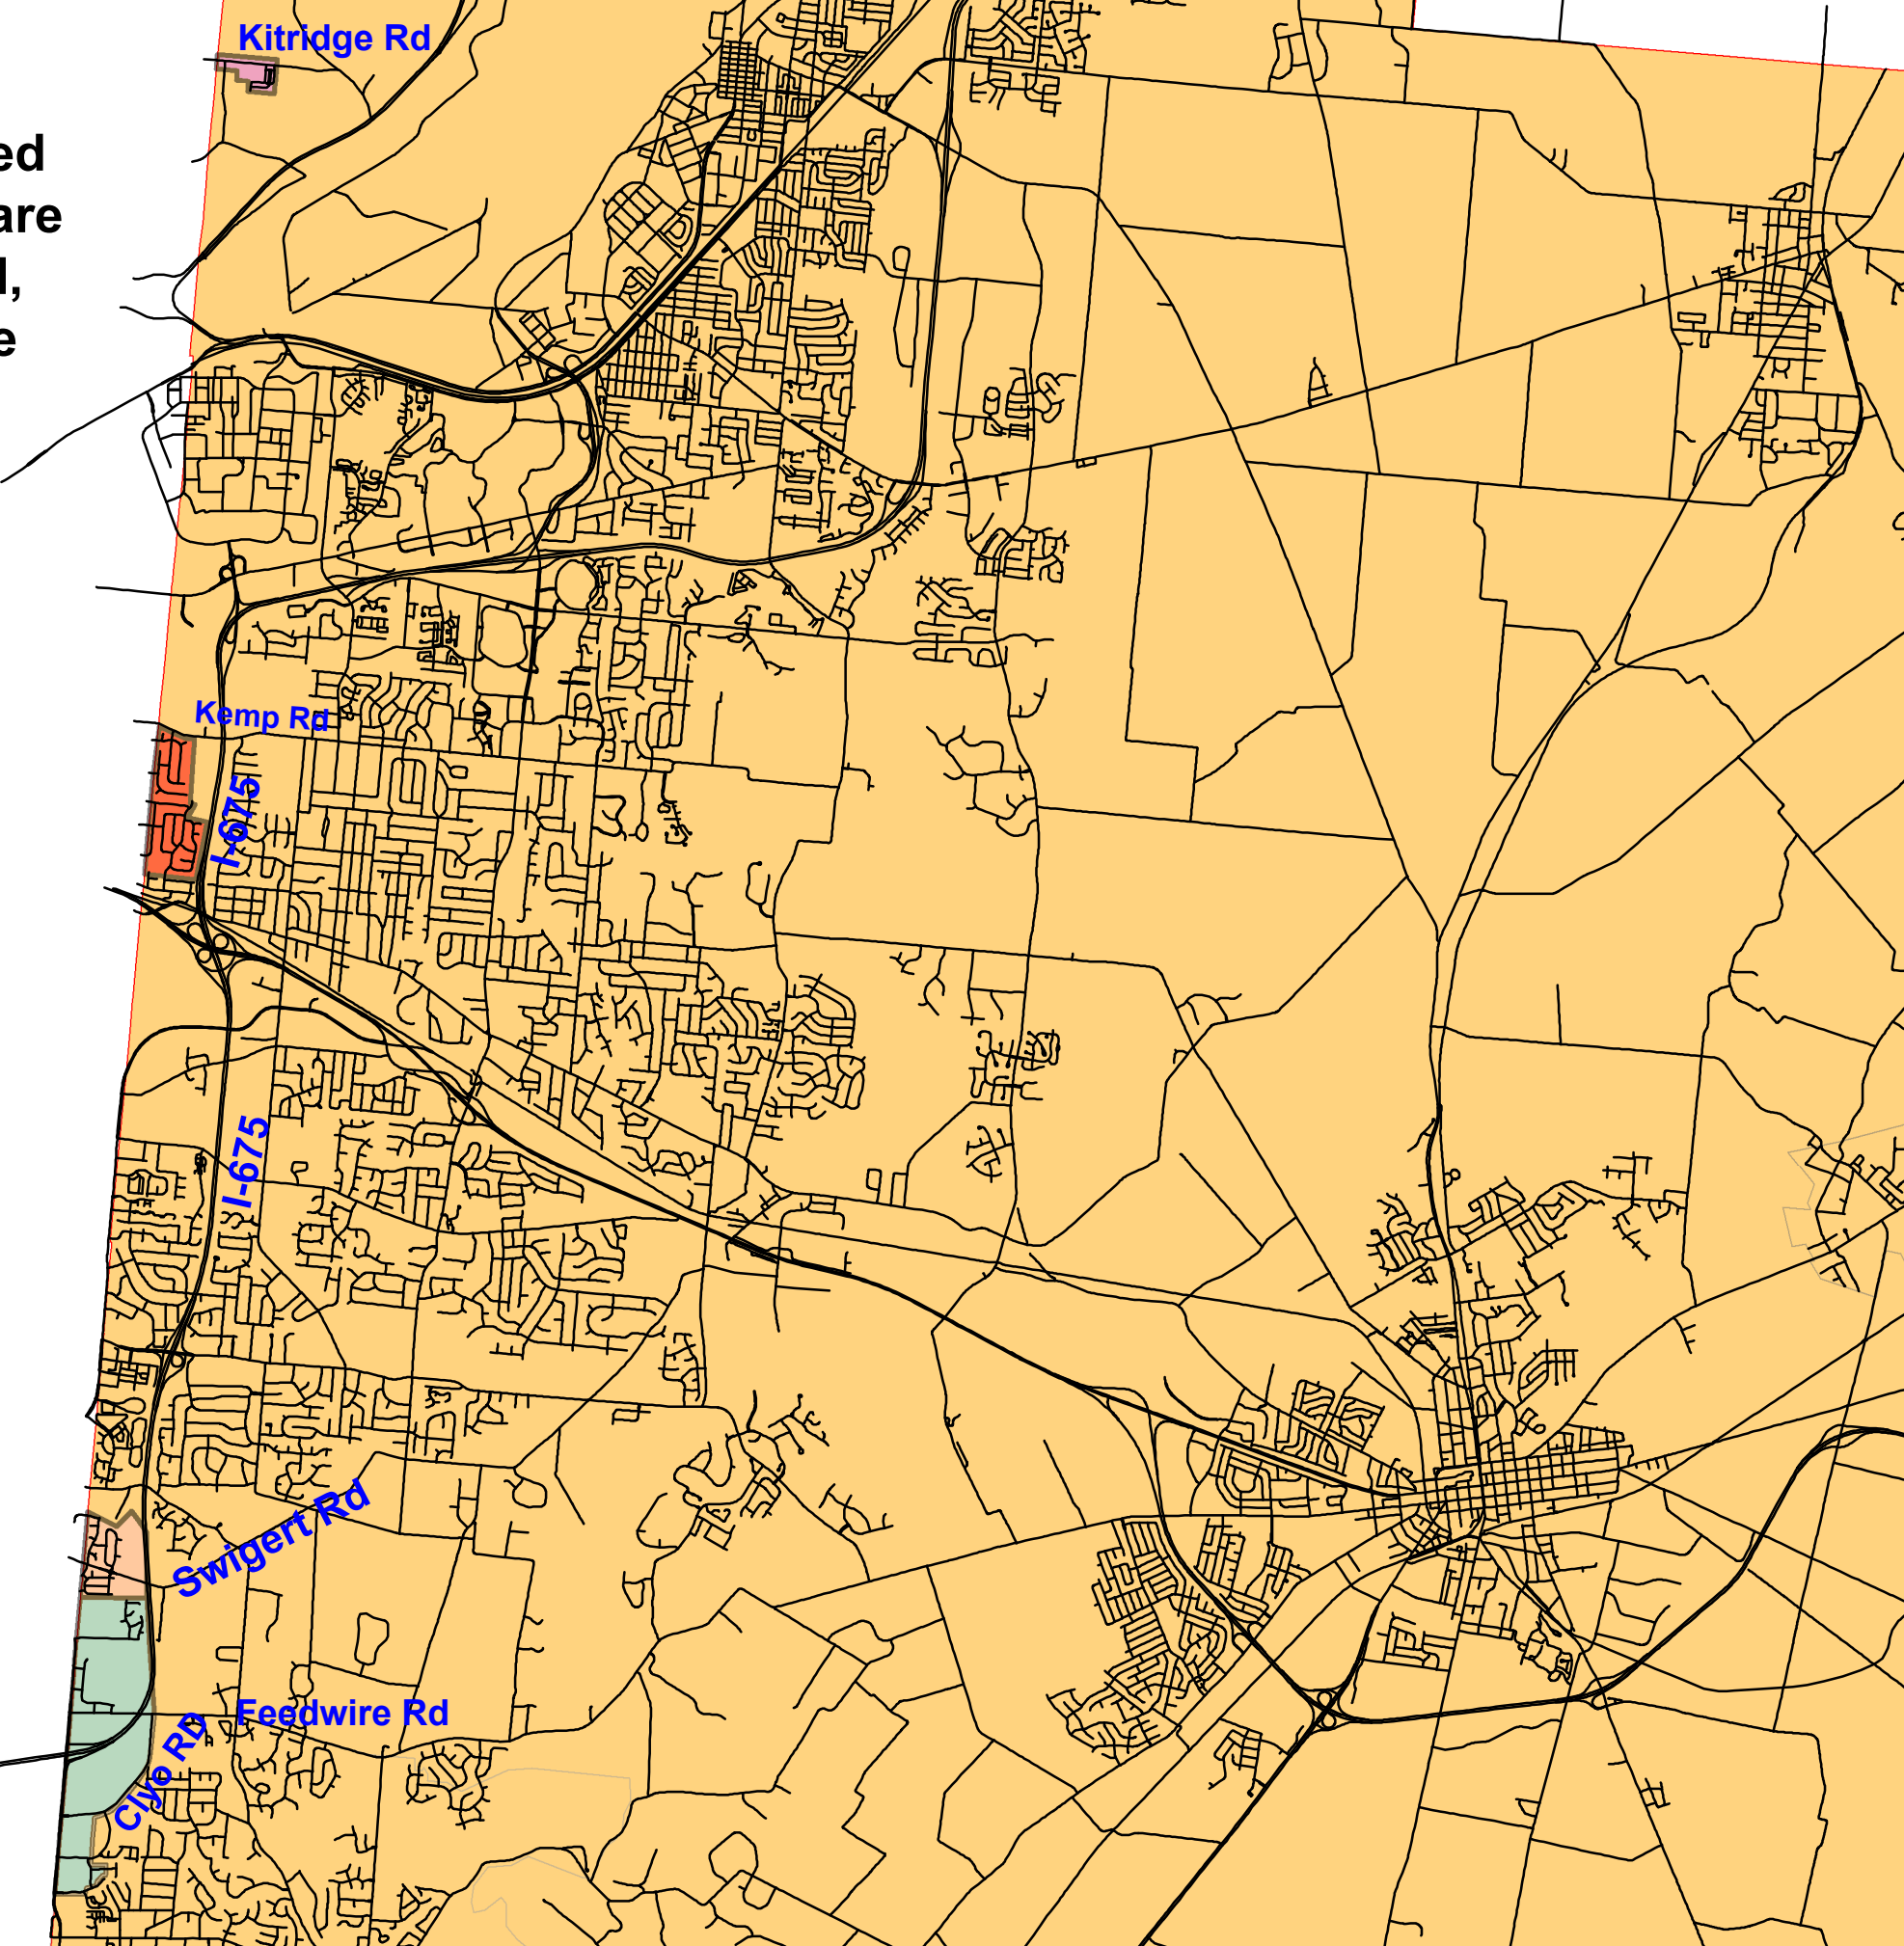

Date/Time: May 28, 2019 9:30 A.M.

Subject: Boil Advisory issued for Greene County Sanitary Engineering customers in Swigart, Cloyo, Kittridge Road and Saville Estates areas (see attached maps)

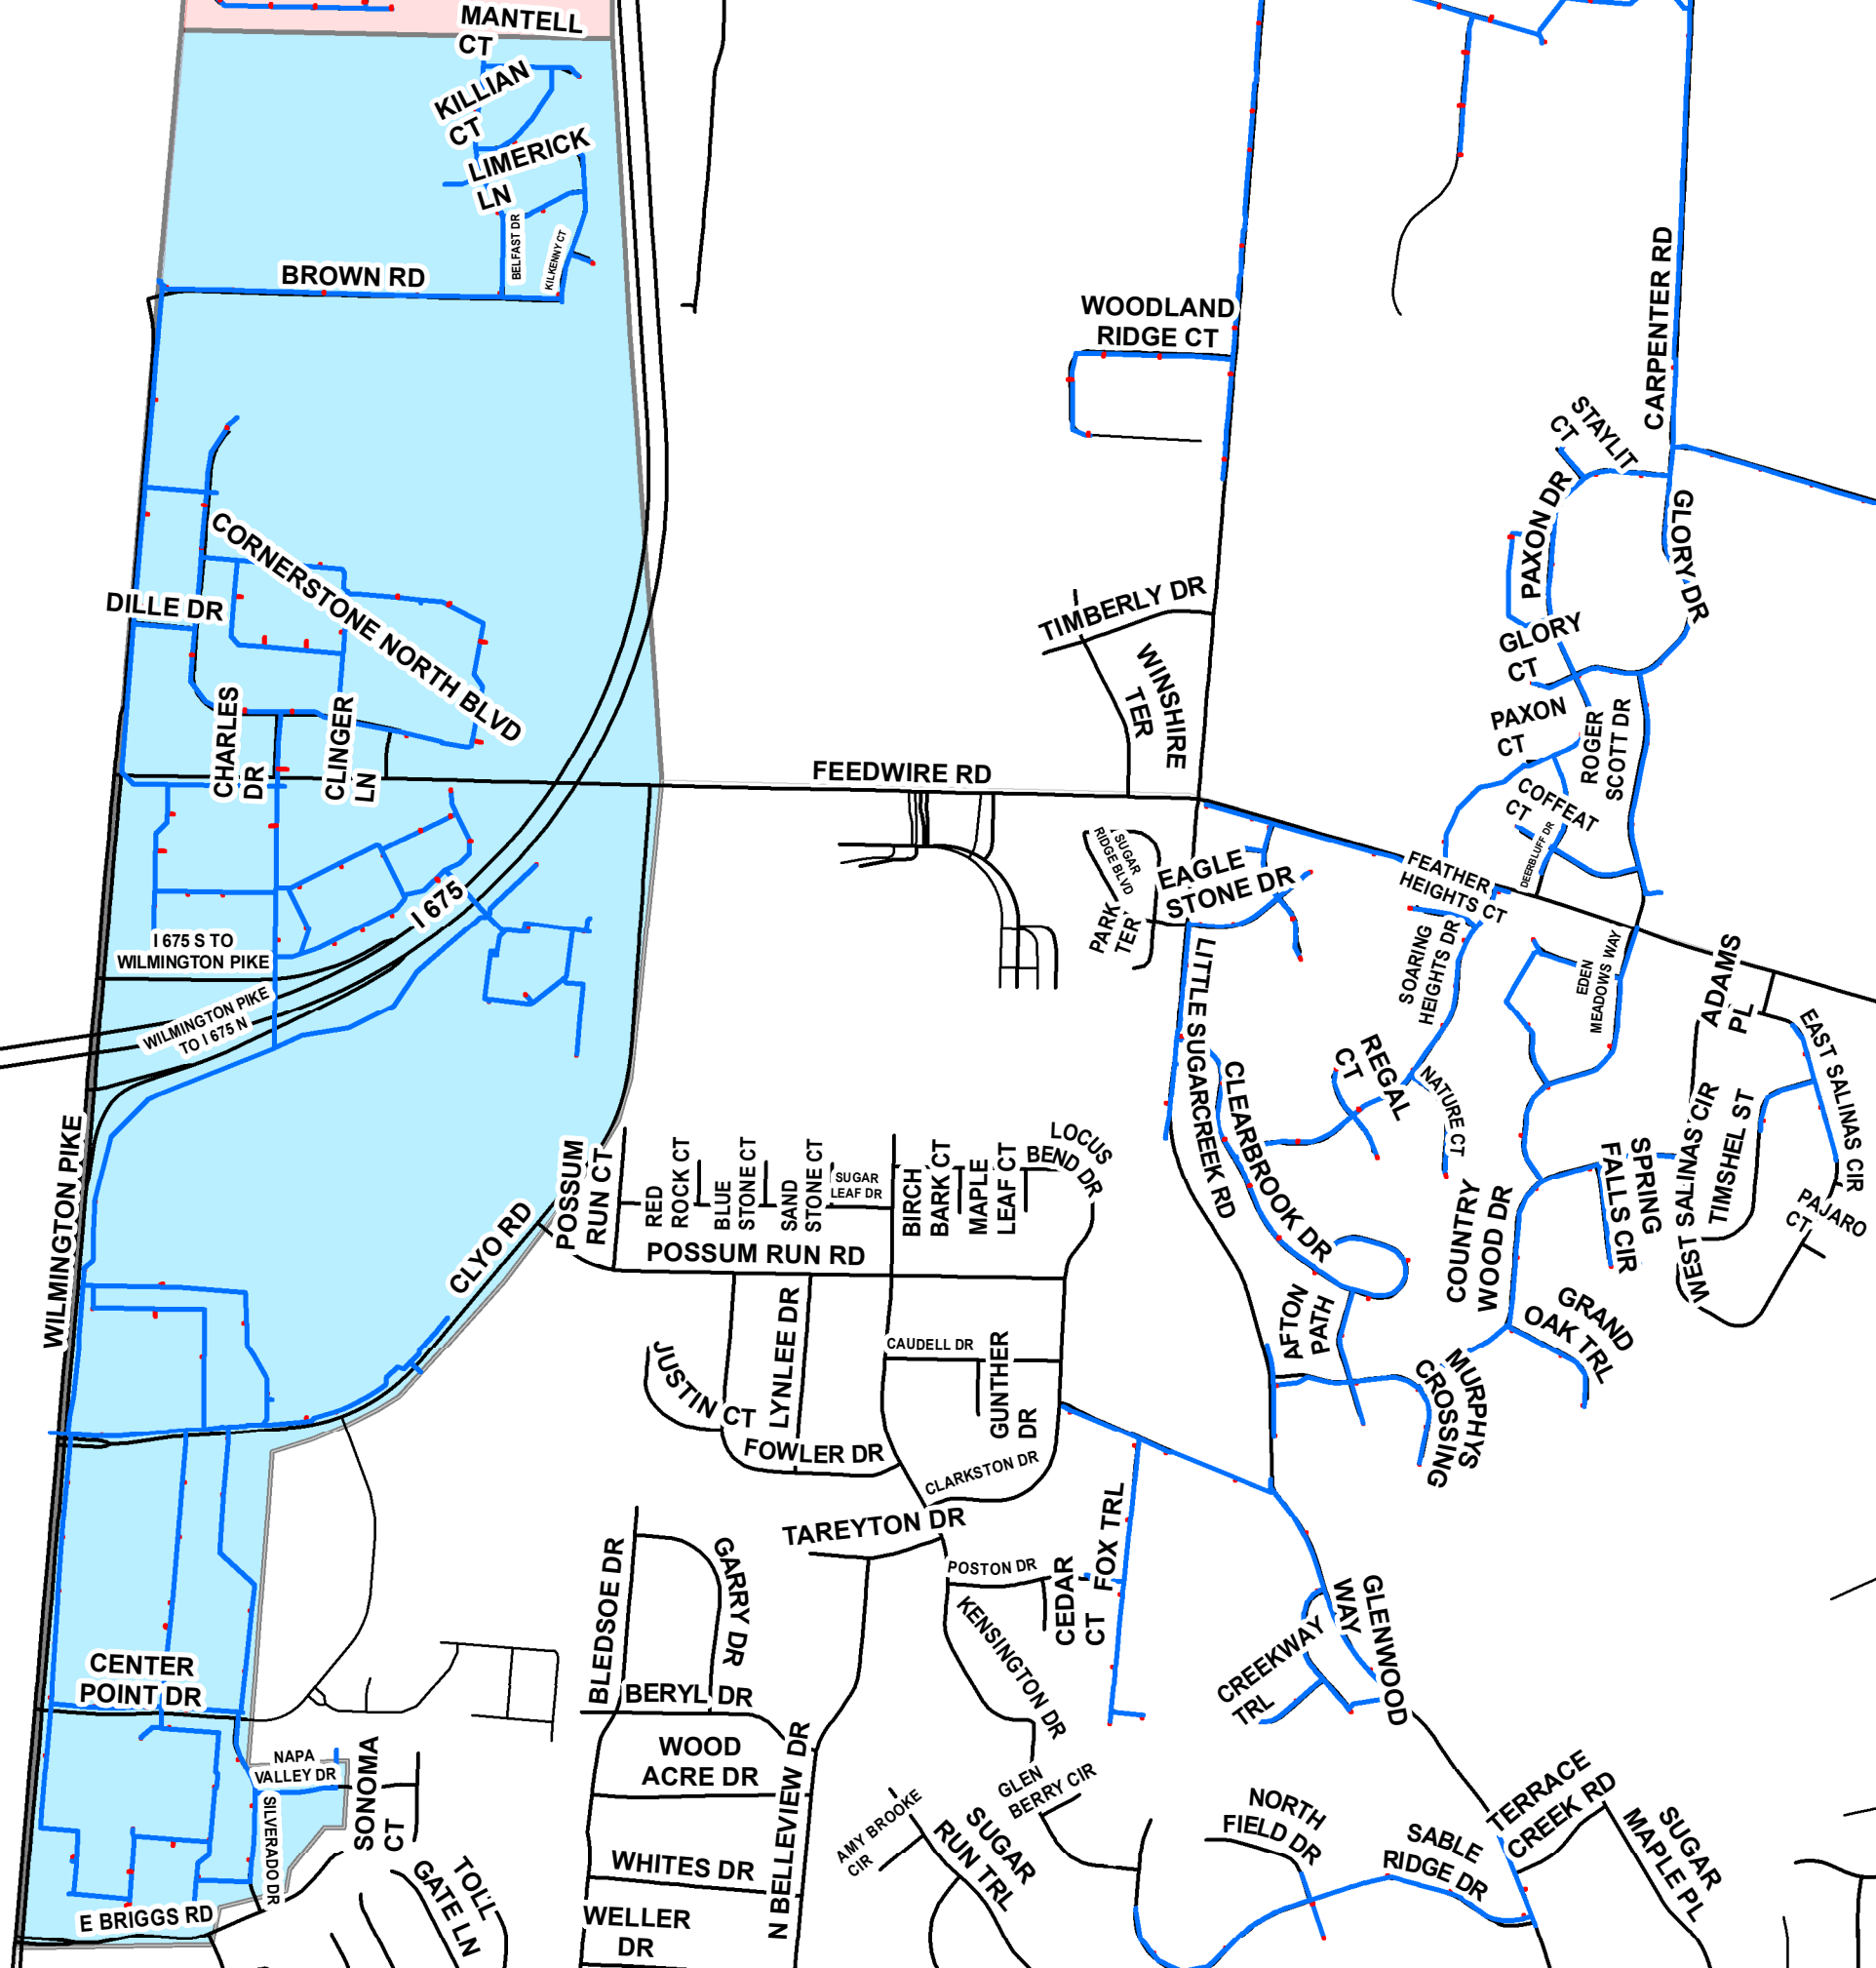

Notice: Due to severe weather damages, Greene County Sanitary Engineering (GCSE) has issues a boil advisory and water curtailment request for customers located in the **Swigart, Cloyo, Kittridge Road and Saville Estates areas** until further notice. GCSE advises its customers in these areas to boil water for at least one minute before consuming and to try to curtail water use during this event. ***No other GCSE customers are currently affected.***

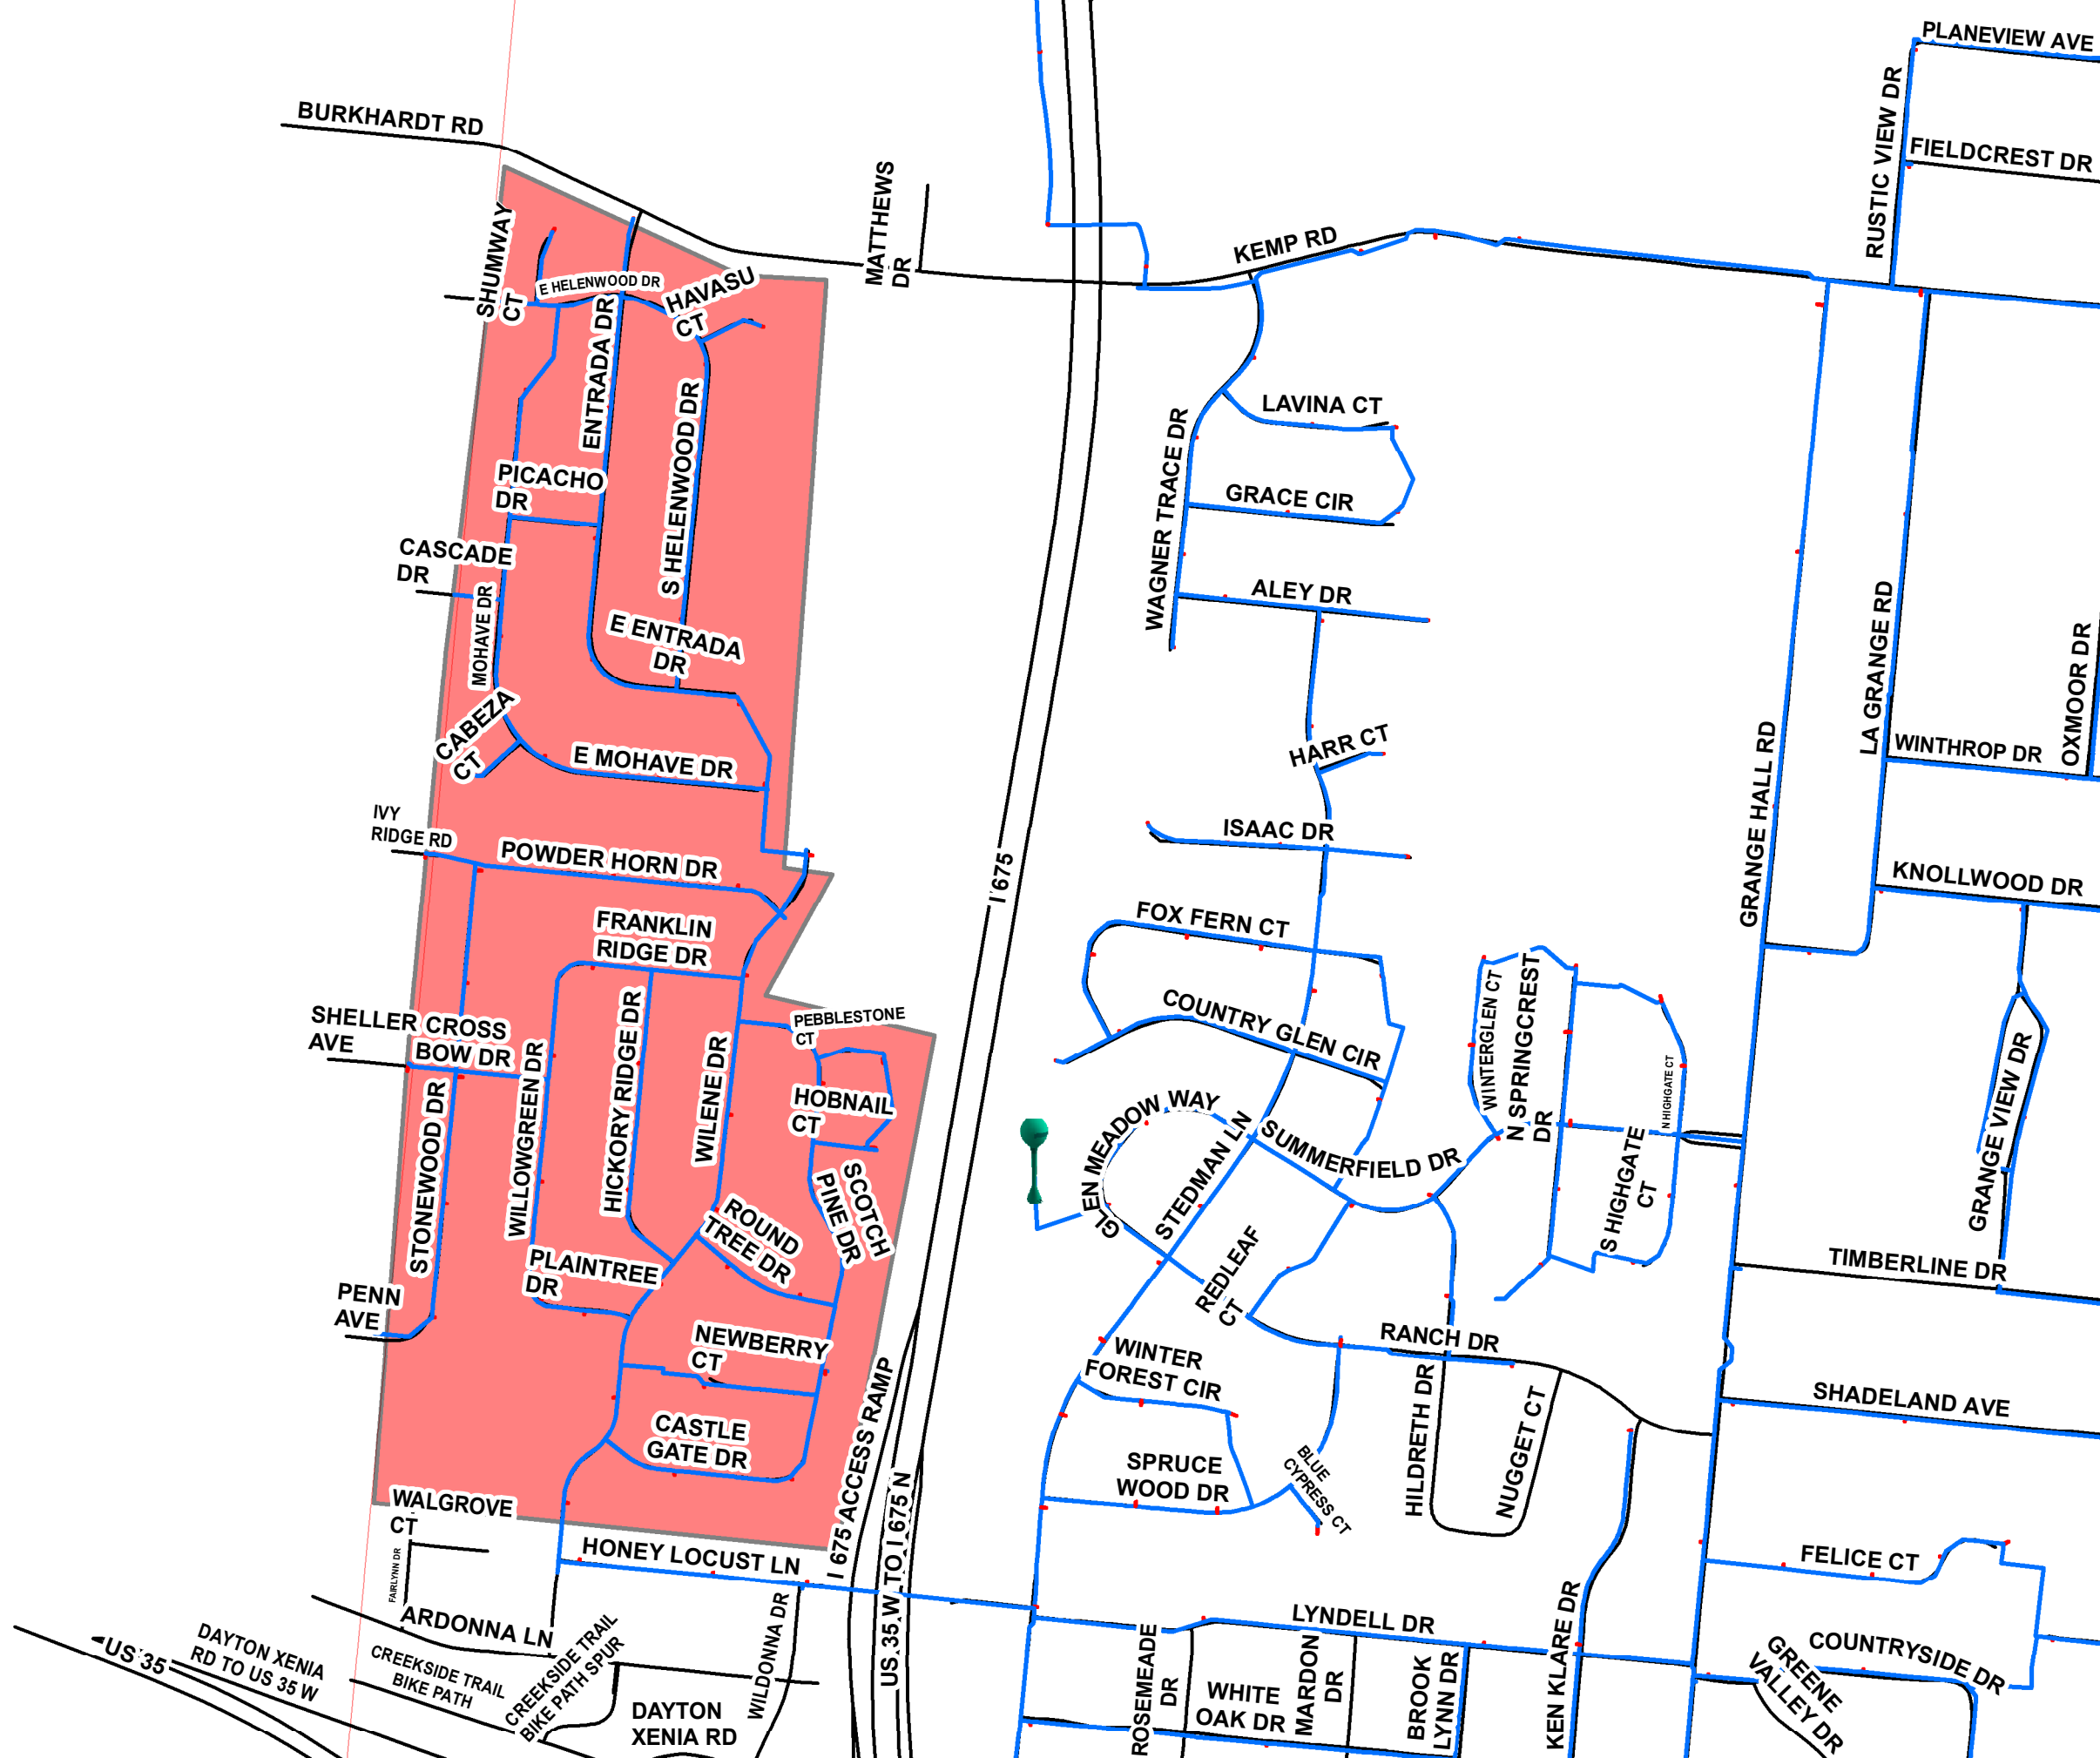

Look for updates on the situation across the coming hours and forward any questions, comments or concerns to (937) 562-7450.
