A MESSAGE FROM THE CHIEF

As I reflect on 2021, the word perseverance comes to mind for those of us wearing the uniform and serving this wonderful community. Once again, the past year presented challenges and opportunities for the men and women of the Beavercreek Police Department. Department members faced continuing personal and professional challenges from the COVID-19 pandemic, as well as challenges with their daily work schedules, due to retirements and those leaving for other career opportunities. The members of the Beavercreek Police Department continued to face the day-to-day challenges of the pandemic in their own lives while persevering in their duties to carry out the Mission of your police department. Despite the many obstacles 2021 continued to present, they remained dedicated to the accomplishment of the Mission and stood fast in their willingness to support one another in pursuit of personal and professional excellence.

The men and women of the Beavercreek Police Department continue in their goal to provide the highest standard and quality of services this community has come to expect and deserves. We look forward to maintaining our current partnerships and developing new ones as we expand our community engagement efforts going forward. Working together to keep our community safe gives us the best opportunity to navigate the policing challenges of the future.

The perseverance to carry out the Mission of the department is easier to fulfill, thanks to our citizens and community members. I would like to thank the community for the numerous cards and notes of appreciation we received during the past year; they are truly appreciated by everyone here at the department.

As we move forward in 2022, our commitment continues to be working in partnership with our citizens and the community in our collective efforts to keep Beavercreek a relatively safe community to live, work and play. I sincerely thank our community partners, the Mayor, each member of the Beavercreek City Council, our City Manager, and the other Department Directors for their support and assistance during 2021.

Citizens on Preventive Patrol Summary

Citizens on Preventive Patrol

C.O.P.P.

Active for thirty-five years, the Citizens on Preventive Patrol (C.O.P.P.) program continues to save taxpayer dollars for the police department budget. As unpaid volunteers, our C.O.P.P. volunteers perform non-enforcement duties such as patrolling Beavercreek

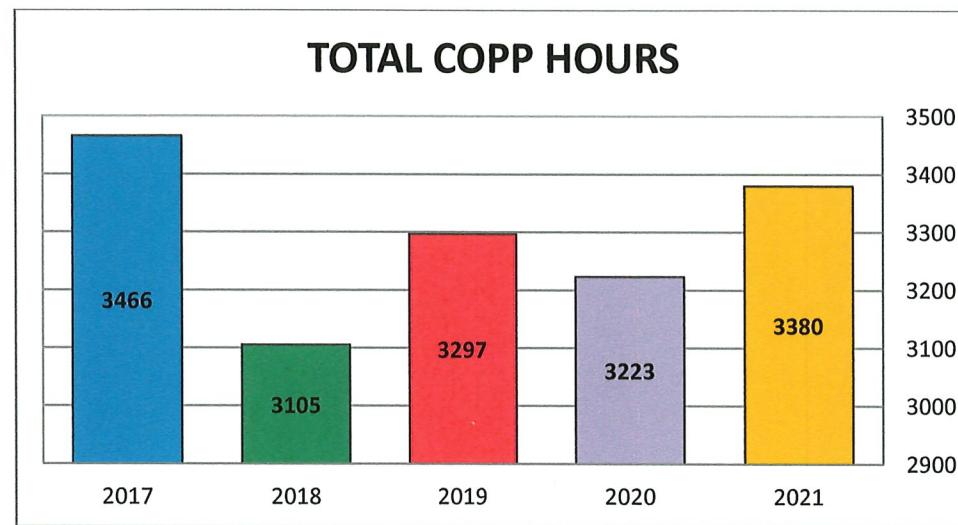

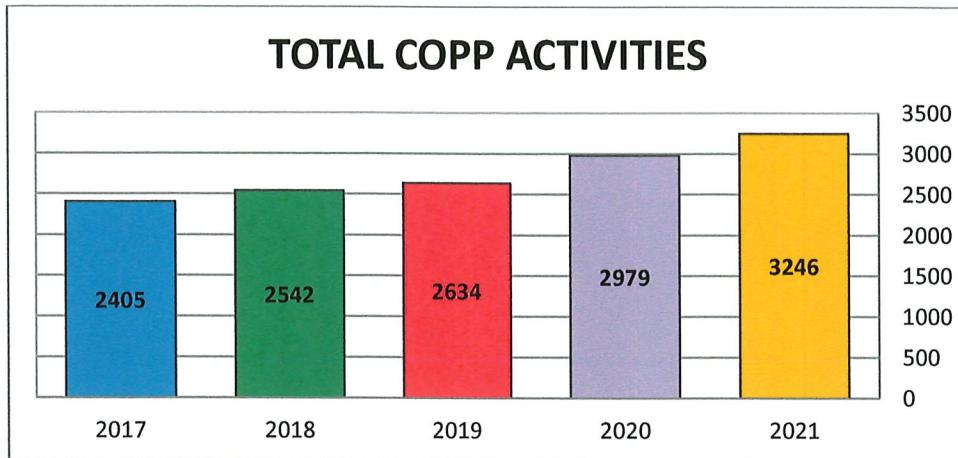

roadways; providing assistance to disabled motorists; assisting police by directing traffic at crash scenes and civic events such as the Popcorn Festival; conducting vacation house checks; and securing parks throughout the city. Their invaluable service supports the mission of the police department to provide quality service to our residents, freeing up the police force to perform their regular patrol and law enforcement duties. This program is one of our country's longest running volunteer programs of its kind.

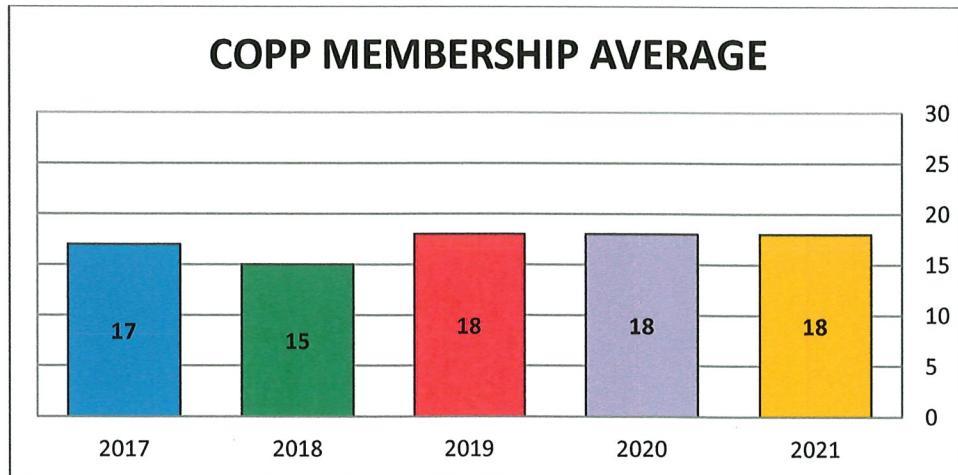

In 2021, 18 active C.O.P.P. members worked 3,380 duty hours in support of the Beavercreek Police Department and the citizens of Beavercreek. Their hard work and dedication to our mission of providing quality service to our community play a vital role in making Beavercreek a great place to live and work. Our C.O.P.P. program embodies the high standard of service excellence Beavercreek residents can depend on and our volunteers are outstanding examples of our commitment to work in partnership with our community.

COPP VOLUNTEER COMMITMENT SUMMARY

Activities included vehicle crash assists, fire department assists, vacation house checks, securing community parks, citizen assists, special civic duties, and special details.

2021 Community Engagement Summary

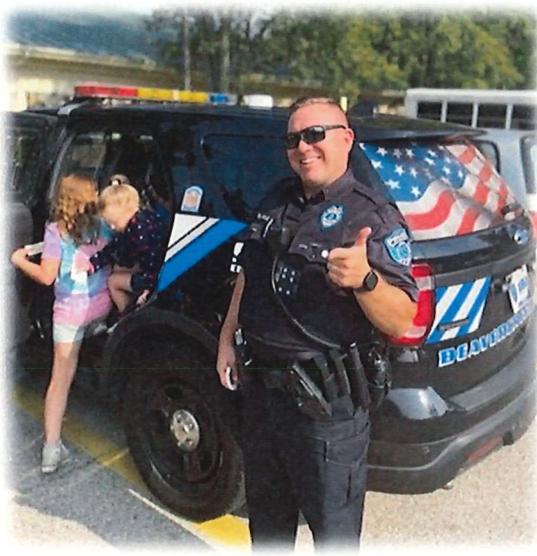

“Prevention... Education... Support”

Officer Mark Brown served until April 2021 as the agency's Community Engagement Officer (CEO), a position dedicated to providing a variety of annual programs, presentations and special events intended to serve the entire community, while promoting our department's organizational values. This interactive approach creates a cooperative relationship between our agency and our residents, helps address problems impacting quality of life, and enables us to work together to resolve them. Community Engagement programs include: providing crime prevention tips and public safety information via various social media venues, such as *Facebook*, *Nextdoor* and *tip411*; attending community safety and promotional events and activities; conducting a Citizens Police Academy designed to familiarize participants with police department policies and procedures; providing home, business and house of worship security analysis and financial institution robbery protocol training; conducting women's self-defense (R.A.D.) training; assisting with neighborhood watch programs and community youth programs; and hosting our annual Open House.

In early 2021, community engagement activities were still limited, yet officers were able to interact with the schools and community. After Officer Brown retired in April, Officer Kris Brownlee stepped into the role of Community Engagement Officer and hit the ground running. As restrictions were lifted, activities increased, with over 70 opportunities to engage with the community, among them police department building tours with safety talks for local scout troops and pre-schools. BPD officers also took part in several birthday and grad party drive-by parades; attended recruiting fairs; attended the city's annual “Try-a-Truck” event, conducted two annual “Shop with a Cop” events in partnership with Meijer and Walmart, participated in the annual “Build-a-Bear” event to benefit Dayton Children's, and joined other law enforcement agencies and first responders in “Operation Santa's Sleigh” to provide some holiday cheer and light up the night for the patients at Dayton Children's Hospital. Safety Town returned in June and National Night Out/Open House returned in August. We conducted Class #19 of Citizens Police Academy in September through November. Highlights of the numerous community service/engagement activities throughout the year are featured in photos on the following pages.
