## Mission Statement

We, of the Beavercreek Police Department, are committed to work in partnership with our community, to safeguard life and property while ensuring the rights of all people, and thereby enhancing the quality of life for our citizens.

## Organizational Values

**Fairness:** We will consistently treat everyone with dignity, compassion, and respect without prejudice while protecting the constitutional and civil rights of all people through impartial enforcement of the law.

**Integrity:** We will strive to uphold public trust by being honest, competent and consistent in our beliefs and actions. We will hold ourselves accountable to the highest standards of professionalism through moral and ethical conduct.

**Loyalty:** Members of this organization shall remain dedicated to the accomplishment of the mission and are willing to support one another in pursuit of personal and professional excellence.

## Fundamental Goals

- Nurture the respect, confidence and trust of our community and other departments.
- Detection and apprehension of criminals.
- Increase pro-active and preventative initiatives throughout the community.
- Maintain order and safety through the community.
- Identify and address current and future needs of our community with regard to police service.

# A Message from Chief Lindsey

The Beavercreek Police Department is pleased to present our 2024 Annual Report, which provides insight into our organization and personnel, and highlights several key accomplishments from the past year. Our success in 2024 is a direct result of our employees' hard work and dedication, as well as the ongoing support we receive from the citizens of Beavercreek. We remain committed to building and maintaining the community's trust and confidence through professional service, accountability, and transparency.

On behalf of the men and women of the Beavercreek Police Department, I would like to express our deep appreciation and respect for Chief Jeffrey Fiorita, who served as our Police Chief from January 2021 until his retirement in January 2025. Under Chief Fiorita's leadership in 2024, we continued to advance several departmental priorities: enhancing our health and wellness program, upgrading equipment and facilities, and striving to reach authorized staffing levels through focused recruitment and hiring. In 2024, five new officers were sworn in and three new dispatchers were hired, bringing our total staffing to 50 sworn officers and 12 dispatchers.

A major milestone in 2024 was receiving our eighth award for Advanced Accreditation from the Commission on Accreditation for Law Enforcement Agencies (CALEA), recognizing our continued compliance with an established set of professional standards over a four-year review cycle. As we enter the first year of a new review period, we will remain focused on evaluating and refining our policies and procedures to ensure we adhere to best practices and deliver the high-quality service our community expects and deserves.

It has been a privilege to serve under Chief Fiorita's leadership. His unwavering commitment to our department and the Beavercreek community throughout his 33-year career leaves a lasting legacy.

The Beavercreek Police Department sincerely thanks the community for its continued partnership. We are honored to serve you. Thank you for taking the time to review our 2024 Annual Report.

Sincerely,  
Chad Lindsey  
Chief of Police

Police Chief Chad Lindsey

**“All of our efforts in serving and protecting this great community are only achievable through the support of our members, our city manager, our council members, and most importantly, our community.”**

— Former Police Chief Jeffrey Fiorita

## Police Chief Jeff Fiorita Retires After 33 Years of Service

After 33 years of service, Beavercreek Police Chief Jeff Fiorita has retired. Joining the department in 1992, Fiorita rose through the ranks from patrol officer to chief, holding various key roles including detective, polygraph examiner, and commander of both the Special Services and Operations Divisions. He became deputy chief in 2020 and was sworn in as chief in 2021.

Throughout his career, Chief Fiorita has pursued and attained a high level of professional achievement and professional excellence. He completed Police Executive Leadership College (PELC) in 2009 and the Public Safety Leadership Academy (PSLA) in 2014. In 2019, he earned the designation of Certified Law Enforcement Executive (CLEE) and graduated from the United States Department of Justice FBI National Academy. He is a member of several professional organizations and has

received both community and departmental recognition, including the Knights of Columbus Blue Coat Award and a Chief's Award of Merit.

“It has been a great privilege to work alongside some of the finest officers in this department,” said Fiorita. “I am thankful for the relationships I’ve built with members of this department, colleagues in other city departments, and the citizens of this incredible community. Thank you for the opportunity to serve as Chief of Police. It has been an honor to protect and serve this wonderful community.”

## Beavercreek Police Department Earns CALEA Reaccreditation

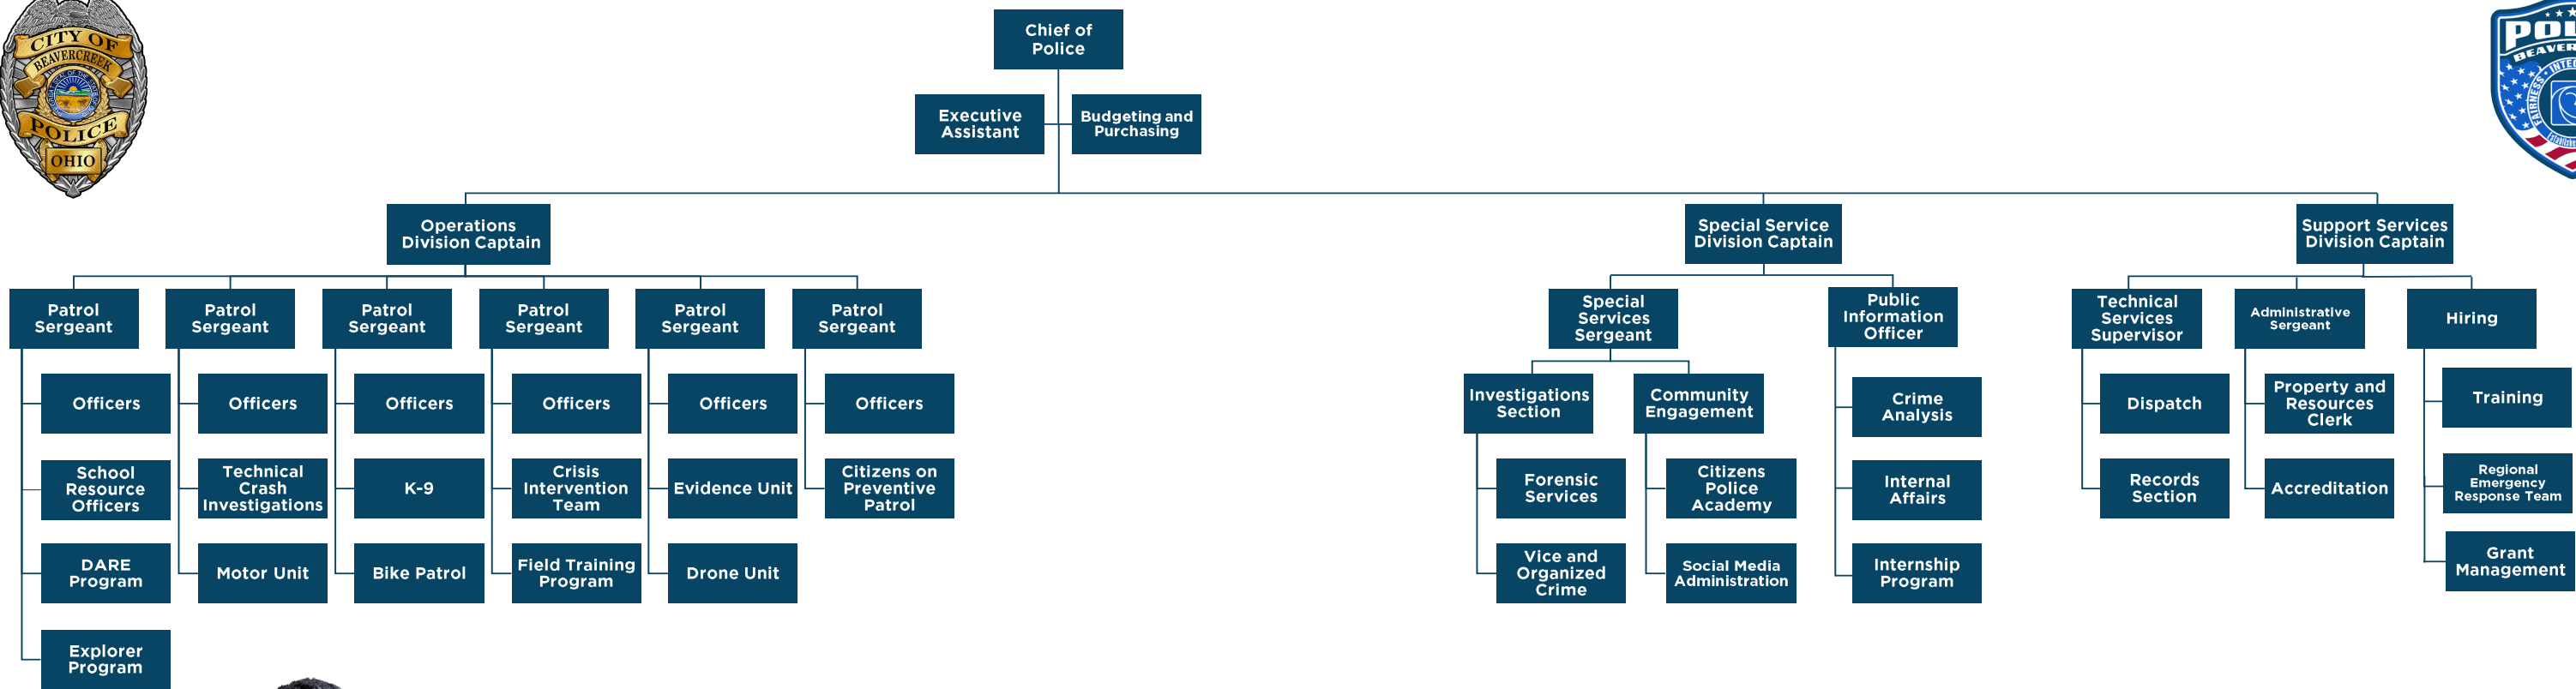

In 2024, the Beavercreek Police Department earned reaccreditation from the Commission on Accreditation for Law Enforcement Agencies (CALEA), reaffirming its commitment to professional excellence. First accredited in 1999, the department must apply for reaccreditation every four years.

To maintain this distinguished status, agencies must meet 480 rigorous standards covering policy, administration, operations, and support services. The process includes an in-depth self-assessment, independent evaluation, public feedback, and structured interviews, with final approval granted by a 21-member commission.

# 2024 Community Engagement Highlights

Staying true to the department mission, the Beavercreek Police Department's partnership with the community included many events, activities, and programs which assisted citizens, businesses, schools, and other community groups.

- Robbery Response Training with financial institutions
- ALICE training with churches and businesses
- Security assessments at residences and schools
- Safety Town: More than 250 children attended four sessions of a four-day interactive and educational experience designed for children entering kindergarten and first grade. Beavercreek officers and guest speakers provided age-appropriate instruction on a variety of topics, including traffic safety, pedestrian and bike safety, fire safety, poison prevention, animal safety, stranger awareness, school and bus safety, 911 usage, emergency preparedness, and gun safety.
- Battle of the Badges Blood Drive
- National Night Out: On August 6, 2024, the Beavercreek Police Department held its annual National Night Out, an event that promotes police-community partnerships, neighborhood safety, and camaraderie. It provides a valuable opportunity for citizens to interact with officers and learn more about crime prevention and local efforts to make Beavercreek a safer place.
- Citizens Police Academy: This free program is designed to familiarize Beavercreek residents and business owners with the policies, procedures, and services of the Beavercreek Police Department. Participants interact with officers and gain hands-on experience in a variety of law enforcement topics. In 2024, nine residents graduated as part of the 21st Citizens Police Academy (CPA) class.
- Neighborhood Watch
- Coffee With a Cop
- Shop With a Cop
- Operation Santa's Sleigh

The department's social media presence on Facebook, Twitter, Nextdoor, Neighbors, and Tip411 is used to provide communication, share educational information, and seek assistance from citizens to help solve crimes. Thanks to assistance from the community, approximately 70% of suspects posted on Facebook have been identified.

# Support Services Division

The support services division consists of an administrative sergeant, a technical services supervisor, the communications section, the records section, and the property and resources unit.

The administrative sergeant serves as the accreditation manager and supervises the property and resources clerk.

The technical services supervisor oversees 12 communications operators and 3 records clerks, and is also responsible for managing the department’s computer systems and equipment.

## Citizens on Preventive Patrol (COPP)

Active for more than 37 years, the Citizens on Preventive Patrol (COPP) volunteer program continues to support both the police department and the community while helping to save taxpayer dollars within the department’s budget. COPP volunteers perform non-enforcement duties such as patrolling Beavercreek roadways, assisting disabled motorists, directing traffic at crash scenes and community events such as the Popcorn Festival, conducting vacation house checks, and securing parks throughout the city.

Their contributions allow police officers to dedicate more time to law enforcement responsibilities. The hard work and dedication of our COPP volunteers play a vital role in helping the police department fulfill its mission of working in partnership with the community and providing professional service to our residents. This program is one of the longest-running volunteer initiatives of its kind in the country, and we thank all of our volunteers for their exceptional service.
